Subject: Teamsters Local 2010 Workers at CSU

Dear CSU Chancellor Garcia,

I am writing regarding the recent announcement that the skilled trades workers at California State University (CSU), represented by the Teamsters Local 2010, are prepared to go on strike in protest of the CSU's current position.

Teamsters Local 2010 members provide critical services to the CSU and work tirelessly to maintain a safe and adequate learning environment for students. Their work on campuses is essential to the daily function of the university and the broader campus community. At the same time, it is important that the issues raised, including fair treatment, compensation, working conditions, and staffing levels, are addressed through a constructive process that respects employees and supports the long-term stability of the university system.

I urge all parties to return to the bargaining table and work toward resolving this matter in a respectful and constructive manner. It is important that negotiations proceed thoughtfully and in good faith, with the goal of reaching a fair and sustainable agreement.

Should you have any questions, please contact me at (916) 651-4025.

Sincerely,

A handwritten signature in black ink that reads 'Sasha Renée Pérez'.
