B. PURPOSE OF AGREEMENT

1. It is the intent and purpose of the parties hereto that this Agreement constitutes an implementation of the provisions of HEERA and provides for orderly and constructive employment relations in the public interest, in the interests of the University, and the interests of the employees represented by Teamsters Local 2010.
2. The parties hereby acknowledge that this Agreement represents an amicable understanding reached by the parties as a result of the unlimited right and opportunity of the parties to make any and all demands with respect to the employer-employee relationship which exists between them relative to the scope of bargaining.
3. This Agreement recognizes one certified bargaining unit. Each provision of this Agreement applies to that bargaining unit unless specified otherwise.

Teamsters

Local 2010 recognizes that the University has the exclusive right to establish new title codes and titles for any such excluded position or title. The University shall advise Teamsters Local 2010 of any such new title. The notice to the Union shall include a statement or reason(s) for the creation of the new class. The Union shall have 45 calendar days from the date of such notice to contest the University's assignment. If the parties are unable to reach agreement, the dispute shall be submitted to PERB pursuant to Regulation 32781(a)(2) for resolution. If the Union does not contest the bargaining unit assignment within the 45 calendar day notice period, the unit assignment of the new class shall be deemed agreeable to the parties and PERB shall be so advised. Bargaining unit assignments made by the University which are contested by the Union shall remain as originally assigned by the University until such time as the parties are in mutual agreement as to a different assignment or, if such assignment is referred to PERB within the appeal period stated above, until resolution of the matter by the PERB process.

All time limits may be extended by written agreement of the parties in advance of the expiration of the time limit. The union's failure to meet any time limit, or extension to a time limit, will render the Appeal to Arbitration ineligible for further processing and the University's preceding written answer will be considered final.
3. If the appeal to arbitration is withdrawn, the last preceding University written response will be considered final.
4. The decision of the arbitrator on any issue properly before him or her shall be final and binding.
5. An appeal to arbitration shall not prohibit efforts by the University and Teamsters Local 2010 to resolve the grievance during the time the appeal is pending and until such time that an arbitrator has rendered his or her decision.
6. Teamsters Local 2010 shall have full authority to settle, withdraw or otherwise dispose of any grievance brought on behalf of the union and/or on the behalf of employees. The scheduling of the arbitration hearing date must be accomplished no later than 90 calendar days from the date the grievance was originally appealed to arbitration, except as provided below in c.3. Should the parties be unable to agree to a hearing date, the authority to schedule the hearing rests with the arbitrator. The parties may extend the 90-day limit for scheduling the arbitration by mutual written agreement in advance of the expiration of the time limit.
 - 2) In such cases the arbitrator shall be provided with a copy of the written agreement. Failure to select the arbitrator and schedule the hearing according to this section will render the grievance ineligible for arbitration and the last preceding University written answer shall become final.
 - 3) If Teamsters Local 2010 initiates the selection process in writing to the University with a preferred arbitrator from the arbitration panel and there is no written University response by the deadline for selection of the arbitrator (45 days from Teamsters Local 2010's appeal to arbitration), then the Teamsters Local 2010 choice shall be final unless Teamsters Local 2010 initiates the selection process within 15 business days of the deadline for selection of the arbitrator. - d. Should the Union make a request that the grievance which has been appealed to arbitration be placed in abeyance for any reason, the period of abeyance shall not exceed 90 days. The Union further agrees that grievances placed in abeyance shall have the time limits tolled during this period. Failure by the Union to reactivate the grievance within the 90-day limit following request that it be held in abeyance will render the grievance ineligible for arbitration and the last preceding University written answer shall become final. If Teamsters Local 2010 requests selection of the arbitrator, it shall be according to the arbitration selection process in this section, including A.9.c.

B. EMPLOYEE REPRESENTATION

Union representation at the arbitration hearing may consist of two representatives, with only one representative eligible for without-loss-of-straight-time-pay status. Released time shall not be unreasonably denied. If a second representative requests released time for the hearing, it shall not be unreasonably denied and it shall be without pay. Only one representative may be designated as the employee advocate for the course of the hearing.

C. SELECTION OF ARBITRATOR

Within 45 calendar days of the date of the appeal to arbitration, the arbitrator shall be selected using the following procedures:

1. Until a permanent panel is selected by the parties, on a case-by-case basis, the parties may agree to the selection of any qualified and available person to serve

as an arbitrator. Absent such agreement, the parties may agree to the selection of an arbitrator from a list provided by the American Arbitration Association.
2. Once the permanent panel is in place, the parties may mutually agree to an arbitrator. In the event the parties cannot agree to an arbitrator, the parties shall then alternately strike one name each from the list of arbitrators. The first strike will be determined by a flip of a coin, and the last name remaining shall be the arbitrator.
3. If both parties disagree with the arbitrator who has been selected, the process shall be repeated once in its entirety.
4. A separate arbitrator shall be selected for each grievance appealed to arbitration, unless the parties agree otherwise in writing.
5. Except as provided in Section A.9.c.3. of this Article, the parties may agree in writing to extend the 45-day limit for selecting the arbitrator. Failure to select the arbitrator within 45 calendar days, or to mutually agree to a written extension of the time period, will render the appeal to arbitration ineligible for further processing and the University's preceding written answer will be considered final.

D. SCOPE OF ARBITRATION

1. Unless there is an agreement by both parties to modify the scope of the hearing, the issue(s) to be heard by the arbitrator shall solely and in its entirety be restricted to the issue(s) stated by Step 3. Issues or allegations which were known or should have been known to either party but not introduced by the Step 3 process shall not be introduced by either party at the arbitration hearing, except as provided in Section D.2., below.
2. When practicable, the University shall inform Teamsters Local 2010 in writing of its intent to assert the issue of arbitrability prior to the selection of the arbitrator according to Section A.9.b. above. The issue(s) of arbitrability shall be resolved in a hearing prior to and separate from the hearing (if any) about the substantive facts and/or allegations in dispute, except as provided in Section D.3., below. In such a case, the parties shall use the selection process described in Sections A.9 and C above to select two arbitrators. The first arbitrator will be selected to hear the issues of arbitrability and the second arbitrator will be selected to decide the merits of the case if the issues are determined to be arbitrable. Unless either party requests a full and complete arbitration proceeding on the arbitrability issue, the first arbitrator shall issue either a bench decision, or upon either party's request, a written decision within 7 calendar days of the

completion of the arbitrability hearing. In the event that the first arbitrator, as a result of the arbitrability hearing referenced above determines a matter to be arbitrable, the first arbitrator shall have no authority to decide the issues pursuant to the merits of the case. A hearing on the merits of the case will be scheduled with the second arbitrator, unless the parties agree otherwise.

3. If, following the selection of the arbitrator, the University raises for the first time issue(s) of arbitrability, a single hearing on the issue of arbitrability and the substantive facts will be held, unless the parties agree otherwise. If the arbitrator finds the grievance ineligible for arbitration, the substantive facts of the case need not be heard and the grievance shall be denied. If the arbitrator finds in favor of arbitrability, the hearing shall proceed to the substantive issues raised.
4. Section D.1. and Section D.2. above, shall not prevent the parties from agreeing in writing to combine the arbitrability hearing with the hearing on the merits of the case or from agreeing to separate hearings on arbitrability and the merits of the case before a single arbitrator.

E. ARBITRATION PROCEEDING

1. The parties will attempt to agree on a location for the arbitration hearing.
2. The arbitration hearing shall be closed to anyone other than the participants in the arbitration hearing, unless the parties otherwise agree in writing.
3. The arbitration hearing shall provide an opportunity for Teamsters Local 2010 and the University to examine and cross-examine witnesses under oath or affirmation, and to submit relevant evidence.
4. Settlement offers made any time during the Grievance and/or Arbitration Procedures shall not be introduced as evidence in the arbitration hearing.
5. Either or both parties may, at their discretion, file briefs with the arbitrator. The order and time limits of briefing shall, on a case-by-case basis, be as agreed upon by the parties or as specified by the arbitrator. Briefing time limits shall be extended by the Arbitrator upon the agreement of both parties.
6. The arbitrator shall consider the evidence presented and render a written decision within 30 calendar days of the close of the record of the hearing.
7. In all cases appealed to arbitration pursuant to the terms of this Article and this Agreement, Teamsters Local 2010 has the burden of initiating the steps in the procedure. With the exception of those cases in which the issue is that of actions taken by the University pursuant to Article 5 – Corrective Action/Discipline and Dismissal, Teamsters Local 2010 shall have the burden of proof. The burden of proof in cases in which the issue is that of actions taken by the University pursuant to Article 5 – Corrective Action/Discipline and Dismissal, shall be the University's.
8. At least 10 calendar days prior to the hearing, the parties shall exchange the names of all known witnesses and relevant materials to be introduced at the hearing.

F. AUTHORITY OF THE ARBITRATOR

1. The arbitrator's authority shall be limited to determining whether the University has violated the provision(s) of this Agreement as set forth in the Union's Step 3 appeal or Step 2 appeal if expedited. If such a violation is found, the arbitrator shall specify the remedy in accordance with the terms of this Agreement.

2. The arbitrator shall not have jurisdiction or authority to add to, amend, modify, nullify or ignore in any way the provisions of this Agreement and shall not make any award that would, in effect, grant Teamsters Local 2010 or the employee(s) any terms which were not obtained in the negotiation process.
3. The arbitrator shall have the authority to subpoena documents and to require the attendance of witnesses upon the reasonable request of either party but not upon his or her own motion.
4. The expense of service and appearance fees, if any, shall be borne entirely by the party requesting the subpoena of witnesses and each party shall, in advance of the hearing date, inform the other party of the identity of witnesses it subpoenaed.
5. The arbitrator shall be the sole judge of the relevancy and materiality of the evidence and testimony offered. The arbitrator may receive and consider evidence but shall give appropriate weight to any objections made. All documents to be considered by the arbitrator shall be filed at the hearing, or within the post-hearing time lines agreed to by the parties during the hearing.

G. ARBITRATION REMEDIES

1. No remedy by an arbitrator shall be made retroactive to a date earlier than 30 calendar days prior to the filing of the Step 1 grievance, except for the correction of an error in implementation in payment of wages or the correction of mathematical, calculation, recording or accounting errors relating to the payment of wages. For grievances involving the correction of an error in implementation of payment of wages or the correction of mathematical, calculation, recording or accounting errors relating to the payment of wages, an award of an arbitrator shall not in any case be made retroactive to a date earlier than three years prior to the initiation of the written grievance in Step 1 of the Grievance Procedure. Additionally, no remedy shall be provided for any period of time during the grievance and/or arbitration procedure for which an extension of time limits has been granted at the request of Teamsters Local 2010 or any time an employee was on strike.
2. In any decision of a grievance appealed to arbitration involving retroactive payments, the appropriate University and Teamsters Local 2010 representatives shall expeditiously determine the identity of the payees and the specific amount owed each payee. Such amount of payment shall be final and no employee or group of employees may subsequently grieve the amounts owed.
3. Remedies involving monetary payment and/or benefits shall be limited in their calculation to the utilization of the employee's actual and appropriate wage or benefit amount at the time of the violation and shall not include the awarding of interest or any other payment/credit unrelated to a University benefit amount or the employee's hourly wage.
4. Upon the motion of either party, or at his or her own discretion, an arbitrator may retain jurisdiction in cases involving an award of retroactive monetary payment (and/or benefits).
5. If the grievance is sustained in whole or in part, the remedy shall not exceed restoring to the employee the pay, benefits or rights lost less any compensation from any source, including but not limited to Workers' Compensation, Unemployment Compensation or other employment.

H. COST OF ARBITRATION

1. The cost of the arbitrator's fees and expenses of the hearing will be shared equally by the University and Teamsters Local 2010. If either party requests that a stenographic record of the hearing be made and/or transcripts of the stenographic record or a taped record be provided,

the parties shall equally share the entire cost of such service and the cost of the provision of a transcript to each party and the arbitrator.

2. In the event either party requests the cancellation or postponement of a scheduled arbitration proceeding which causes an arbitrator to impose a cancellation or postponement fee, the party requesting such cancellation or postponement shall bear the full cost of the cancellation/postponement fee. In the event the parties agree to settle or postpone the arbitration during the period of time in which the arbitrator will charge a cancellation/postponement fee, the parties will equally bear the cost of the fee, unless the parties agree otherwise.

I. PAY STATUS

1. The grievant (one grievant in a group grievance) shall be in a without-loss-of-straight-time-pay status at the arbitration hearing.
2. The University and Teamsters Local 2010 shall establish a reasonable schedule for witness(es)' testimony at the arbitration proceeding. Employee witnesses who appear at the arbitration hearing at the request of Teamsters Local 2010 shall be in a without-loss-of-straight-time-pay status for reasonable travel time, the time spent actually giving testimony and/or waiting to testify in accordance with the established schedule. Every effort shall be made by the University and Teamsters Local 2010 to avoid the presentation of repetitive witnesses.
3. Total release time for the grievant, employee representative and witness(es) for travel to/from the hearing and for participation in the hearing shall not exceed either their normally scheduled hours of work for the day(s) of the hearing or their actual participation in the hearing. Participants shall travel to/from the hearing via the most expeditious method of transportation available.
4. Not more than one employee representative will be released in without-loss-of-straight-time-pay status for attendance at any one arbitration hearing.
5. The University shall not be responsible for any lodging, travel expenses or other expenses incurred by grievants, witnesses, employee or Teamsters Local 2010 representatives with regard to the union's presentation in the arbitration hearing.

J. EXPEDITED ARBITRATION

The parties may agree to use an expedited form of arbitration to be agreed to by the parties and the arbitrator. Expedited arbitrations may be used in discipline cases involving suspensions of five (5) days or less, written warnings, minor pay claims or in any other case the parties stipulate to do so, provided it is by mutual agreement in advance of the scheduling of the arbitration.

K. ARBITRATION PANEL

1. The parties will make an attempt to agree on the panel of 30 arbitrators, with 15 on a Northern Panel and 15 on a Southern Panel. Nothing shall preclude the parties from including an arbitrator on both the northern and southern lists. If agreement cannot be reached on the names of the arbitrators on each list, the remaining number of arbitrators needed to complete a panel will be selected alternately by the parties. The party selecting first shall be determined by a flip of a coin.
2. After one year from the date the panel members were initially selected, and annually thereafter,

each party shall have the right to eliminate up to one arbitrator from the panel. A party exercising this right shall notify the other party in writing of the name of the arbitrator to be stricken from the panel.

3. In replacing arbitrators who were eliminated from the panel, the procedure in Section K.1. shall be used again but any arbitrator eliminated in Section K.2. above, may not be placed back on the panel until at least one year from the date on which such arbitrator was stricken.
4. In the event one vacancy in the panel of arbitrators occurs, other than the elimination of an Arbitrator by the parties pursuant to Section K.2. above, such vacancy may be filled by the parties within 30 calendar days, using the procedures in Section K.1. above, if the parties agree that a replacement is necessary. In the event more than one vacancy in the panel of arbitrators occurs, such vacancy shall be filled by the parties within 30 calendar days by using the procedures in Section K.1. above, unless both parties agree that no replacement is necessary prior to the annual panel review.
5. The northern list of arbitrators shall be used for arbitrations arising at the Davis, the Office of the President, Lawrence Berkeley Laboratory, Berkeley, San Francisco, and Santa Cruz locations, unless the parties agree to use an arbitrator from the southern panel. The southern list of arbitrators shall be used for arbitrations arising at the Santa Barbara, Los Angeles, Merced, Irvine, Riverside, and San Diego locations, unless the parties agree to use an arbitrator from the northern panel.

The Lists of Arbitrators is attached as Appendix F.

ARTICLE 4
CATASTROPHIC/COMPASSIONATE LEAVE

- A.** The University will maintain local catastrophic leave programs for members of the CX-Unit.
- B.** At every campus/hospital/Laboratory where a catastrophic leave sharing plan is currently in effect, the plan shall remain in effect for employees eligible under established campus/hospital/Laboratory guidelines. CX-Unit employees shall be eligible to participate fully in these plans as recipients and donors, consistent with local campus guidelines.
- C.** Eligibility for purposes of this article shall mean employees eligible to accrue or use vacation time. When a location proposes to implement or to change the local catastrophic leave program with respect to clericals, it shall provide notice and upon written request from Teamsters Local 2010, meet and discuss the proposal.

ARTICLE 5
CORRECTIVE ACTION/DISCIPLINE AND DISMISSAL

A. GENERAL PROVISIONS

1. The University shall have the authority to discipline or to dismiss a non-probationary career employee for just cause. For purposes of illustration but not limitation, such actions may be taken for misconduct or failure to perform satisfactorily.
2. A non-probationary career employee who alleges that discipline and/or dismissal are not based on just cause may appeal such action pursuant to the provisions of Article 7 – Grievance Procedure.

B. TYPE OF DISCIPLINE

1. The University may discipline an employee by written warning, suspension without pay, disciplinary demotion, temporary wage decrease, or dismissal.
2. At least one written warning, and where appropriate additional progressive discipline, shall precede any other discipline except when discipline is the result of performance or conduct that an employee knows or reasonably should have known, was unsatisfactory. Such performance or conduct may include but is not limited to dishonesty, theft or misappropriation of University property, fighting on the job, insubordination, acts endangering others, or other serious misconduct.
3. A performance evaluation or a counseling memo is not in and of itself discipline.

C. INVESTIGATORY LEAVE

1. The University may place an employee on paid investigatory leave without prior notice in order to review or investigate allegations of employee misconduct which warrant relieving the employee immediately from all work duties and removing the employee from the premises.
2. The investigatory leave must be confirmed in writing to the employee normally not later than three working days after the leave is effective. The University shall provide a copy to Teamsters Local 2010. The confirmation must include the reasons for and the expected duration of the leave.
3. On conclusion of the investigation, the employee shall be informed in writing of the disciplinary action, if any, to be taken. If the University offers and the employee agrees (and if represented by Teamsters Local 2010 and Teamsters Local 2010 also agrees), up to 10 work days of the investigatory leave may be converted to an unpaid disciplinary suspension provided the notice and employee responses provision of this Article have been followed before the final decision is made.
4. If the University fails to include the expected duration of the leave, per C.1. above, an employee on investigatory leave shall have at least one business day within which to respond to any University communications.

D. NOTICE

1. Written notice of intent to suspend for more than five days, demote, or dismiss shall be given to the employee, either by delivery of the notice to the employee in person or by placing the notice of intent in the U.S. mail, first class postage paid, in an envelope addressed to the employee at the employee's last known home address. It shall be the responsibility of the employee to

inform the University in writing of any change in their address. The notice of intent shall be accompanied by Proof of Service indicating the date on which the notice of intent was personally delivered or mailed, and this shall constitute the "date of issuance" of the notice of intent. A copy of the Notice of Intent shall be sent to Teamsters Local 2010.

2. The notice of intent shall:

- a. Inform the employee of the disciplinary action which the University intends to take, the reason for the disciplinary action, and the effective date of the disciplinary action;
- b. Inform the employee that he or she has a right to respond either orally or in writing, within 10 calendar days of the date of the issuance of the notice of intent in accordance with Section E. below; and to whom to respond;
- c. Include a copy of the charge and material upon which the charge is based.

E. EMPLOYEE RESPONSE

The employee shall be entitled to respond, orally or in writing, to the notice of intent described above. The response must be received within 10 calendar days from the date of issuance of such notice of intent in accordance with instructions given by the University in the written notice of intent sent to the employee. If the employee chooses to respond orally, the employee may have present a Union representative, provided the representative is not a University employee who has been designated as supervisory, managerial, or confidential.

F. UNIVERSITY RESPONSE

After review of the employee's timely response, if any, the University shall notify the employee of any action to be taken. The action may not include discipline more severe than that described in the notice of intent; however, the University may reduce the discipline without the issuance of a further notice of intent.

G. COPIES OF DISCIPLINE TAKEN PROVIDED TO TEAMSTERS LOCAL 2010

Effective the first of the month following 60 days after ratification of the contract: When discipline exceeds a letter of warning, a copy of the notice of the final action taken will be sent to Teamsters Local 2010 within seven (7) working days. Failure to provide such notice to Teamsters Local 2010 shall not delay the imposition of discipline upon the employee.

ARTICLE 6 DURATION

A. DURATION

The terms and conditions of this Agreement shall remain in full force and effect commencing at 12:00 midnight on April 19, 2017 (the day after UC received Teamsters Local 2010's written notice of ratification), and shall terminate at 11:59 p.m. on March 31, 2022, unless the University and Teamsters Local 2010 mutually agree in writing to extend any or all terms and conditions of this Agreement.

B. NEGOTIATION OF A SUCCESSOR AGREEMENT

The requirements for the University and/or Teamsters Local 2010 to engage in successor negotiations are as follows:

2. The University shall, no later than October 15, 2021, following receipt of Teamsters Local 2010 timely notice of its intent to negotiate a successor Agreement including Teamsters Local 2010's initial written proposals, present to the Union the University's written initial proposals regarding a successor Agreement.
3. Face-to-face negotiations shall commence no later than November 1, 2021, following compliance with HEERA-mandated sunshine requirements, unless the parties agree to a later date in writing.

C. GENERAL PROVISIONS

1. Timely notice of intent to negotiate, as provided in Section B., above, shall impose the duty to engage in face-to-face meeting and conferring for the purposes of negotiating amendments to the Articles so specified.
2. Neither party shall have any obligation or requirement to negotiate any provisions of any Article(s) not timely designated.
3. In the event that neither party gives timely notices as set forth in this section, this Agreement shall remain in effect on a year-to-year basis. In the event that the Memorandum of Understanding continues in this manner and either party wishes to bargain, the parties shall provide notice, including written proposals, no later than July 1st and July 15th of the applicable year, and following all requirements of Sections B and C, above.

D. VOLUNTARY LIMITED-SUBJECT NEGOTIATIONS

In the event the University elects to meet and confer with Teamsters Local 2010 on any specific subsection of this Agreement, the parties will comply with HEERA-mandated sunshine provisions, and HEERA-mandated negotiation procedures. In the event the parties are not able to reach agreement, they shall comply with HEERA-mandated impasse procedures, including state-mandated mediation, fact-finding, unilateral implementation, and the right to strike within 30 days following public issuance of the Fact-Finder's report.

ARTICLE 7 GRIEVANCE PROCEDURE

The University and Teamsters Local 2010 agree the purpose of this Article is to encourage and facilitate the resolution of alleged violations, misinterpretations or misapplications of this Agreement as defined in A.1 below at the lowest level possible. This preamble is not grievable or arbitrable.

A. GENERAL CONDITIONS

1. A grievance is a written complaint by an individual employee, a group of employees, or Teamsters Local 2010 that the University has violated a specific provision of this Agreement. The University shall not have the right to use the grievance procedure.
2. No employee shall be subject to reprisal for using or participating in the grievance procedure of this Agreement.
3. Filing
 - a. All grievances must be filed with the campus/hospital/Laboratory Labor Relations office at the campus that employs the grievant and within the time frames specified in this Article. Additionally, locations may provide for the electronic filing of grievances and responses, in accordance with local procedures. Grievances must be filed on the form agreed to by the parties as set forth in Appendix C.
 - b. The grievance form must be signed and dated by the employee(s) or the employee's representative upon submission to the University. Union grievances must be signed by the Teamsters Local 2010 Secretary-Treasurer or his/her designee(s).
 - c. The grievance form (see Appendix C) shall be furnished to the employee by Teamsters Local 2010 and may be furnished by the University. The University may provide employees with access to the form or direct the employee(s) to Teamsters Local 2010.
 - 1) Only one incident shall be covered in any one grievance. A formal grievance must identify the specific Article(s) and section(s) of this Agreement alleged to have been violated; describe the action(s) which allegedly violated the identified Article(s) and Section(s), together with the date(s) of the action(s); and describe the remedy requested. The grievance shall state whether a Step 1 meeting is requested.
 - 2) Receipt of the grievance shall be acknowledged in writing by the University as soon as practicable following receipt, and shall be sent to the non-work address listed on the grievance form.
 - 3) For the initial filing of a grievance, the date filed shall be the date received. However, if the grievance is mailed, the date of the US Postal Service postmark shall be considered the date filed. For grievance appeals and responses, the date of issuance shall be the date hand-delivered, or the date of the US Postal Service postmark, if mailed, provided the address used is the non-work address on the grievance form. If an address other than what is provided on the grievance form is used, then an additional 10 calendar days shall be granted for the grievance appeal. In order to obtain this extension, the grievant, or his/her representative, must provide the envelope bearing the incorrect address at the time the appeal is filed. The date of hand delivery shall be the date of the stamp or handwritten acknowledgement of receipt as noted by the Labor Relations office. The University shall acknowledge receipt by dating the form, and

providing a copy of the dated form to the grievant or his/her representative. Appeals to Step 3 may be filed electronically in accordance with Section F.3.b.3. below.

- 4) If a grievance form is used for the initial filing of the grievance procedure, the grievance form, or a copy thereof, shall be completed and provided to each party unless the parties agree otherwise.

4. Resolution of the grievance at any step, although final, shall not be precedent setting.

B. EMPLOYEE REPRESENTATION

A grievant shall have the right to be represented at all steps of the grievance procedure by a Teamsters Local 2010 representative or a Teamsters Local 2010 designated employee representative, or any other one person of the grievant's choice other than a University employee who has been designated as supervisory, managerial, or confidential. Teamsters Local 2010 may have an additional advisor who shall not be a spokesperson and who shall not be on paid release time.

C. TIME LIMITS

1. Other than the time limits for the initial Step 1 filing of a grievance, the time limits as specified in this Article may be extended by mutual agreement of the parties. Extensions must be in writing and must be signed by the parties in advance. The parties may mutually agree to skip any steps of the grievance procedure. Such an agreement must be in writing and must be signed by the parties.
2. Deadlines that fall on a day that is not a regular business day will automatically be extended to the next business day.
3. If a grievance is not appealed to the next step of the procedure within applicable time limits, and an extension has not been agreed to in advance, the grievance will be considered resolved on the basis of the last University response to the grievance and shall be considered ineligible for further appeal.
4. If the University has not responded by the designated time limit in this Article, the grievance will be advanced to the next step in the grievance process if it is confirmed by Teamsters Local 2010 in writing by the deadline date for appeal to that step. If Teamsters Local 2010 does not confirm the advance to the next step, the grievance shall be considered withdrawn and ineligible for further processing.

D. GRIEVANTS WHO HAVE RESIGNED

Grievants who voluntarily resign their employment with the University, unless they retire, shall have their pending grievances immediately withdrawn and will not benefit by any subsequent settlement or disposition of any individual, union, or group grievance. However, if the grievance is related to compensation negotiated in a UC/Teamsters Local 2010 Agreement, the grievance may be continued if it has been appealed to Step 2 before the date of resignation.

E. GRIEVANCE PROCEDURE - INFORMAL REVIEW

Before commencing the formal grievance procedure, an individual employee, or group of employees,

with or without their representative, may first attempt to resolve the alleged grievance informally. When an employee or representative requests such a meeting, an Informal Review meeting shall be held with the immediate supervisor within 15 calendar days of the request. Informal resolution of grievances at the lowest possible level is an objective shared by the University and Teamsters Local 2010. Informal attempts of settlement to resolve the grievance shall not extend time limits including the initial 30-day filing deadline.

F. GRIEVANCE PROCEDURE - FORMAL REVIEW

1. Step 1:

- a. All grievances (individual, group, or union) must be filed either by U.S. mail or hand delivery, and received by the Labor Relations Office at the campus/hospital/Laboratory which employs the grievant(s) within 30 calendar days after the date on which the employee or Teamsters Local 2010 knew or could be expected to know of the event or action giving rise to the grievance. If hand delivered after business hours, the date of receipt shall be the next business day.
- b. Grievances received after the filing deadline will be processed solely for the purposes of determining whether the grievance was untimely.
- c. Resolution of grievances at the lowest possible level is an objective shared by the University and Teamsters Local 2010. If no Informal Review meeting took place, and either party requests it, there shall be a meeting held at Step 1 that includes the supervisor and the grievant, unless both parties agree otherwise.
- d. University Review:

The University's written response will be issued to the grievant and the representative, if any, within 15 calendar days after the meeting is held or, if no meeting is held, 15 days after the formal grievance is filed. If the response is not issued within this time limit, the grievance shall be processed in accordance with C.4 above. If the grievance is not resolved at Step 1, the grievance may be appealed to Step 2.

- e. Sexual Harassment Complaint Resolution Procedures:
 - 1) An employee alleging sexual harassment may elect to substitute a campus/hospital/Laboratory Sexual Harassment Complaint Resolution Procedure for Step 1 of the Grievance Procedure. An employee who elects to use the Sexual Harassment Complaint Resolution Procedure may return to the grievance procedure only if he/she filed a grievance within the 30-day time limit for filing. An employee who elects to resume the regular grievance procedure in place of the Sexual Harassment Complaint Resolution Procedure shall do so by sending written notice to the University. The University's Step 1 Grievance response will be issued within 15 calendar days after the notice is received by the designated University official.
 - 2) Grievances that allege a violation involving sexual harassment may, at the grievant's option, enter the grievance procedure at Step 2.
 - 3) If no report issues from the sexual harassment complaint resolution process or the employee elects to use the sexual harassment complaint resolution process and for any reason the grievance remains in abeyance for one hundred eighty (180) days or more, the case will be considered withdrawn by the grievant, unless the grievant requests in writing that the grievance should remain in abeyance for a mutually agreeable time.

2. Step 2:

- a. If the grievance is not resolved at Step 1, the grievant or the Union may proceed to Step 2 by filing a written appeal with the Labor Relations Office within 15 calendar days of the date the written response is issued.
- b. Unless the parties agree otherwise, the designated University local official shall convene a meeting with the grievant(s) and the grievant's representative, if any, to attempt to resolve the grievance. The meeting shall be convened no later than 15 calendar days following receipt of the appeal to Step 2. During the Step 2 meeting, the parties shall discuss information and contentions relative to the grievance.
- c. During the Step 2 process, the parties may agree in writing to amend the alleged violations stated in the original grievance.
- d. If requested by the grievant, a second Teamsters Local 2010 representative may participate in the Step 2 meeting. In the event a second Teamsters Local 2010 representative attends, only one representative may actively participate in the grievance meeting, and the University shall pay release time for only one representative.
- e. If a grievance that alleges a violation of Article 5 – Corrective Action/Discipline and Dismissal only is not satisfactorily resolved at Step 2, Teamsters Local 2010 may appeal directly to arbitration in accordance with Article 3 – Arbitration Procedure.
- f. A written decision shall be issued within 15 calendar days following the Step 2 meeting, or receipt of the Step 2 appeal if it is agreed that no meeting will be held. If the University does not respond within the time limit, the procedures in C.4 will apply.
- g. A grievance appealed by the Union to the next step in the Grievance Procedure upon expiration of the time limits within which the University was to conduct a meeting and/or provide an answer shall not be remanded to the parties for completion of the meeting/provision of answer process unless there is mutual agreement of the parties to so remand.

3. Step 3:

- a. All grievances that are not satisfactorily resolved at Step 2 may be appealed to Step 3. The appeal must be filed with the Director of Labor Relations in the Office of the President within 15 calendar days of the date the University's Step 2 written answer was issued. If the University has not issued its written decision to the Step 2 appeal by the deadline, the grievance shall be advanced to Step 3 if it is confirmed by Teamsters Local 2010 in writing by the deadline to appeal to Step 3. If Teamsters Local 2010 does not confirm the advance to the next step, the grievance shall be considered withdrawn and ineligible for further processing.
- b. An appeal to Step 3 shall be accomplished as follows:
 - 1) Delivery by U.S. Mail;
 - 2) Personal presentation with mutual acknowledgment from the person delivering the document(s) and the person accepting delivery of document(s) by signing and dating the document(s) and each of them retaining one of the signed and dated documents; or

- 3) Email to AppealAGrievance@ucop.edu
 - a) Email submissions must include PDFs of all documents, information and signatures necessary to be in compliance with the Grievance Procedure provisions of this Agreement.
 - b) The 'date of filing' for emailed Appeals to Step 3 shall be the date received on the University server, provided that the appeal is received during business hours.  - c) The University shall acknowledge the Union's Appeal to Step 3 through a computer-generated, automatic email response.
- c. The Step 3 appeal shall identify all unresolved issues, alleged violations, proposed remedies, and shall be signed and dated by the grievant(s) or their representative. The subject of the grievance as stated at Step 2 shall constitute the sole and entire subject matter of the appeal to Step 3.
- d. The Director of Labor Relations or designee shall issue the University's written answer to a Step 3 appeal within 30 calendar days of the receipt of the appeal. The answer will be issued to the grievant when self-represented, or to the employee's representative, and a copy shall be sent to the statewide Teamsters Local 2010 office.

G. UNION GRIEVANCES

Teamsters Local 2010 shall have the right to present grievances under this procedure on behalf of an individual employee, on behalf of a group of employees, or on behalf of itself. It shall be the Union's responsibility to inform an employee that it is bringing a grievance.

H. GROUP GRIEVANCE

A group grievance is defined as a grievance that covers more than one employee, and that involves like circumstances and facts. A group grievance must be so identified on the grievance form at Step 1.

If an employee wishes to withdraw from a group grievance represented by Teamsters Local 2010, the employee shall notify Teamsters Local 2010. Teamsters Local 2010 shall in turn notify the University in writing if the employee is to be withdrawn.

I. CONSOLIDATION OF GRIEVANCES

Grievances of two or more employees, as well as multiple grievances by or related to the same employee, or which relate to the same incident, issue, alleged violation, facts, or course of conduct, may be consolidated. Consolidation or severance of grievances shall occur by mutual, written agreement of the parties.

J. OFFERS OF SETTLEMENT

Settlement offers made during attempts at informal resolution or during the steps of the Grievance Procedure shall not be introduced as evidence in subsequent steps of the Procedure.

K. RETROACTIVITY

Settlement of grievances may or may not be retroactive as equities of a particular case may demand.

In any case where it is determined that the settlement shall be applied retroactively, except for the correction of an error in implementation in payment of wages, or the correction of mathematical, calculation, recording or accounting errors relating to the payment of wages, the maximum period of retroactivity allowed shall not in any case be made retroactive to a date earlier than 30 calendar days prior to the initiation of the written grievance in Step 1. For grievances involving the correction of an error in implementation in payment of wages, or the correction of mathematical calculation, recording or accounting errors relating to the payment of wages shall not be made retroactive to a date earlier than three years prior to the initiation of the written grievance in Step 1 of the Grievance Procedure.

L. EXCLUSIVE PROCEDURE

The Grievance Procedure set out in this Article shall be exclusive and shall replace any other grievance procedure for adjustment of any disputes arising from the alleged violation of this Agreement. Unless otherwise indicated within this Agreement, any previous grievance procedure or other procedure in existence or adopted by the University shall not apply to employees covered by this Agreement for any purposes whatsoever.

M. RELEASE TIME AND PAY STATUS FOR GRIEVANTS, EMPLOYEE REPRESENTATIVES AND/OR WITNESSES

1. University-Convened Meetings

a. If the University convenes a meeting involving the parties to a grievance for the purposes of resolving the grievance and/or completing the steps of the Grievance Procedure, the grievant(s), witness(es), if any, and Teamsters Local 2010 designated employee representative(s) eligible to attend such meeting pursuant to this Article and Article 1 – Access/Union Rights, Section C. shall be in without-loss-of-straight-time-pay status during the meeting, provided:

- 1) Such meeting occurs during the regularly scheduled hours of work of the grievant(s), Teamsters Local 2010 designated employee representative, and/or witness(es); and
- 2) Advance request is made and approval is received from the supervisor of the grievant(s), the witness(es), and/or the Teamsters Local 2010 designated employee representative. Approval to attend shall be made on an operational needs basis and shall not be unreasonably denied.
- 3) A grievant or the representative may request the availability of bargaining unit employee witnesses for University-convened grievance meetings. The availability of bargaining unit employee witnesses shall be determined by their immediate supervisor(s) on the basis of operational needs, and such requests shall not be denied unreasonably. Witnesses shall be in a without-loss-of-straight-time-pay status only for time spent at the campus/hospital/Laboratory meetings as a witness and reasonable travel time spent at the witness' respective campus/hospital/Laboratory location. In instances where the witness' testimony is valuable and relevant to a grievant's case, paid release time for travel and testimony will not be unreasonably denied.

Grievants and Teamsters Local 2010 agree that every effort shall be made to provide witnesses that pertain solely to the subject matter and to avoid the presentation of repetitive witnesses and that the absence of any or all witnesses shall not require the meeting to be recessed or postponed.

b. The University is not responsible for any travel or lodging expenses or any other

expenses incurred by the representative, grievant or union witnesses.

- c. Paid release time for Teamsters Local 2010 designated employee representatives for purposes other than University convened meetings shall be provided in accordance with Article 1 – Access/Union Rights.

N. EXCLUSION OF FLOATER EMPLOYEES AND PROBATIONARY EMPLOYEES

The retention or release of floater employees and probationary employees (or temporary employees at LBNL) is at the sole discretion of the University, and shall not be subject to Article 7 – Grievance Procedure or Article 3 – Arbitration Procedure of this Agreement.

When an action is taken by the University with respect to a floater employee which effectively terminates the floater employee during the term of his/her floater appointment and there are unique or unusual circumstances involved, the designated campus or Laboratory official, upon the specific request of the Teamsters Local 2010 Secretary-Treasurer or designee will discuss the action taken. It is understood that such requests for discussion will occur on a very limited basis and will not be made with respect to actions including but not limited to those resulting from the expiration of appointment, programs or grant funds, or the decision not to continue, rehire or extend the employment of a floater employee. It is further understood that the opportunity for such discussion in very limited circumstances does not in any way confer upon a floater employee any property or process right and does not in any way obligate or commit a designated campus/Laboratory official to any specific course of action or procedure.

O. OTHER REPRESENTATION

Grievants may choose a representative other than a Teamsters Local 2010 representative for purposes of grievance representation and adjustment. In the event the University is involved in the resolution of a grievance from a grievant or group of grievants who are self-represented or represented by someone other than a Teamsters Local 2010 representative:

1. The University shall provide Teamsters Local 2010 with a copy of the grievance and the proposed resolution, indicating the grievant or grievants have chosen a representative other than Teamsters Local 2010.
2. Teamsters Local 2010 shall have 10 calendar days from the date the University provides the material referenced above in which to comment in writing on the proposed resolution.
3. The University shall not implement the proposed settlement or resolution of the grievance until timely receipt and review of Teamsters Local 2010 written comments, if any.
4. The resolution of grievances presented by someone other than a Teamsters Local 2010 representative shall be consistent with the terms of this Agreement.

P. GRIEVANCE FILE

Records involving the processing of an employee's grievance, such as the grievance form, step appeals/responses, and settlement documents, will be kept in a file separate from the employee's personnel file. It is not the intent of this section to exclude from the employee's personnel file final disciplinary action documents, including those that result from a settlement agreement. The University will keep grievance files confidential to the extent required by applicable law and will not disseminate their contents unless solicited for a legitimate University business purpose or obligated to provide for a pertinent regulation or law.

ARTICLE 8 HEALTH AND SAFETY

Where current employees are assigned duties which create hazardous conditions unique to the job assignment, as determined by a University health official responsible for such assessments, the University shall provide training and information to the employee prior to the employee assuming such duties.
3. In the event an employee believes s/he is performing a hazardous job with insufficient training, the employee shall immediately inform the department Health and Safety Officer, if any. After consultation, if any, the employee may contact the Environmental Health and Safety Department. In such instances, a staff member from the EH&S department shall respond to the employee within 30 calendar days.

B. ASSIGNMENT

1. Abnormally hazardous or dangerous tasks shall be defined as those tasks having dangers or hazards which are objectively identifiable as constituting a clear and imminent life-threatening danger, and/or dangers or hazards substantially greater than the dangers or hazards inherent in the usual scope of a given job and for which the employee has not been trained and equipped.
2. An employee shall not be assigned to any abnormally dangerous or hazardous task.
3. In the event an employee regards an assigned task as abnormally hazardous or dangerous, s/he shall notify her/his immediate supervisor of her/his claim. The employee shall identify the components of the assignment that are objectively identifiable as abnormally hazardous or dangerous.
 - a. In attempting to resolve the employee's claim, the supervisor, at her/his sole discretion, may attempt to make workplace task performance and/or task assignment changes consistent with health and safety considerations and/or the availability of additional or alternate personnel.

- b. If the supervisor does not make the assignment changes specified in Section B.3.a., above, s/he shall have the employee's claim assessed by a health and safety professional person responsible, in accordance with campus/hospital/Laboratory procedures, for the assessment of abnormally hazardous or dangerous conditions.
 - 1) If, in the assessment of the University, the assignment is abnormally hazardous or dangerous, the supervisor shall follow campus/hospital/Laboratory procedures to remedy the abnormally hazardous or dangerous situation prior to assigning the work to the employee. Once the modifications which remedy the abnormally hazardous or dangerous situation are made, the employee may be required to perform the work.
 - 2) If, in the assessment of the University, the assignment is not abnormally hazardous or dangerous, the supervisor may order the employee to perform the assignment or, at the supervisor's sole non-grievable discretion, assign the affected employee to other available work consistent with the work usually performed by the employee or may assign another qualified employee to perform the assignment.
- 4. If the employee refuses to perform tasks assigned in accordance with Section B.3.a. and b., above, s/he may be subject to discipline.
- 5. An employee who works more than 60% of his/her normal work schedule at a video display terminal shall normally be reassigned to other duties for a period of fifteen minutes during each four hours worked. It is understood that operational requirements, work station coverage requirements, workloads, staffing levels, leave schedules, vacation schedules and/or the provision of services to patients, clients, public or University employees may require the uninterrupted presence of the employee(s). In such situations, reassigned time will not be granted.
- 6. Within the first 90 calendar days of employment on the job or workstation reassignment, the University shall provide an ergonomic review of an employee's workstation for those new or reassigned employees who work more than 60% of his/her normal work schedule at a video display terminal. Such review shall be performed in accordance with local policies and procedures. If the department requires additional time to review the workstation, it shall have sixty days to perform the review. It shall advise the employee of the expected date of the additional review results and the proposed date of the subsequent department response, including the proposed date of any proposed resolution action, if any. If any action by the University is grieved or arbitrated with respect to this Section 6, the remedy shall be limited to the provision of the ergonomic review and the department's required response pursuant to this section.
- 7. A current employee can request and receive an ergonomic review according to local procedures and request and receive a copy of the written review, if any.

These sheets relative to chemicals and substances used at the work area of an employee shall be made available to the employee or Teamsters Local 2010 on request. Such information shall be maintained in the workplace by the University.
2. When an MSDS provides that certain safety equipment (for example, but not limited to, rubber gloves, face masks, etc.) is required for safe handling of a hazardous substance, the required safety equipment shall be reasonably accessible to the employees who are required, as part of their job duties, to use that hazardous substance. The University shall make reasonable efforts to insure that employees who come in contact with hazardous substances (within the current definitions under applicable law) are provided with adequate information or training regarding the proper handling of said substances, to the extent appropriate and related to their jobs.
3. In compliance with state and federal law, the University shall provide to affected employee(s) access to data regarding toxic chemicals, seismic safety and asbestos reports. Such data shall be readily available and provided to the union or employee within a reasonable time following a request.

If, as a result of the filing of a grievance relative to the provision of information and training prior to the assumption of duties which include an imminent risk to life and health, the University and Teamsters Local 2010 agree as to the failure to provide such information and training, the University shall attempt to correct such situation by providing the appropriate information and training.

E. COMPLIANCE

The University and Teamsters Local 2010 agree that the University's compliance with this article and/or any arbitrator's award shall be contingent upon the availability of specifically budgeted and available funds. B. WORK SCHEDULES

1. A work schedule is the normal hours of work for an employee within a workweek.
2. A standard full time work schedule shall be eight (8) hours per day, excluding meal periods, on five (5) consecutive days. An alternate (flexible) full-time work schedule may consist of forty (40) hours in one workweek or eighty (80) hours within two consecutive workweeks.
3. Work schedules are established by the University. Employee work schedules will be made known to the employees in accordance with the provisions of Section C. of this Article.

C. SCHEDULE/SHIFT ASSIGNMENTS

1. Employees will be made aware of their work schedule/shift assignment in the following manner:
 - a. The University will provide an employee with at least five (5) work days' notice prior to changing her/his work schedule for a period of less than four (4) workweeks in duration, except for 24-hour operations.
 - b. The University will provide an employee with at least twenty (20) work days' notice prior to changing her/his work schedule/shift for a period of at least four (4) workweeks duration, except for 24-hour operations.

 - d. If the employee's supervisor fails to provide notice of a shift change pursuant to Section C.1.a. and b. of this Article on three (3) or more occasions, failure to provide such notice on the third or subsequent occasion shall be grievable and arbitrable.
2. An employee may file a written indication of preference for a particular shift (i.e., day, evening, night) with her/his immediate supervisor. When assigning work schedules and shifts to employees, the University will also consider the skills, knowledge, and abilities of the employees who normally perform the work involved prior to deciding upon the shift assignment. In the event two (2) department career employees with substantially equal qualifications have expressed a preference, the University may use departmental seniority to make the shift assignment.

D. ALTERNATE WORK SCHEDULES

F. MEAL PERIODS

A meal period of at least one-half ($\frac{1}{2}$) hour is provided for any work period of six (6) continuous hours or more. Meal periods are neither time worked nor time on pay status. If the total work period of the shift is no more than six continuous hours, the meal period may be waived by an agreement between the employee and the supervisor. Whenever an employee is required to perform work or is not substantially relieved of work-related duties during a meal period, the meal period shall be considered time worked. The University may reschedule an employee's meal period during the work day when operational needs preclude relieving the employee of work related duties during the originally scheduled meal period, however, regularly scheduled meal periods shall normally be provided.

G. REST PERIODS

1. Two rest periods of fifteen (15) minutes shall normally be granted during an eight (8) or ten (10) hour shift. 2. Operational requirements may restrict the granting of rest breaks.
3. Rest periods shall not be taken at the beginning or end of a work period or accumulated for use at a later time. The combining of rest periods with meal periods for some, any or all employees of a department/division shall be at the discretion of the University.

H. CHANGING AND CLEAN UP TIME

The University shall determine when clean-up time or uniform changing time is necessary for employees. When the University requires that the employee must change into or out of uniform, or must engage in special washing or cleaning procedures, the time spent in such activities shall be considered as time worked.

I. TRAVEL TIME

1. Travel time between home and the work place is not time worked.
2. Assigned travel during an employee's regular working hours on work days is time worked.
3. Assigned travel that keeps an employee away from home overnight and that occurs outside the employee's normal working hours is not considered as hours of work. However, assigned travel that does not keep an employee away from home overnight is considered as hours worked, as is travel that occurs during the hours an employee normally works when the travel occurs on the employee's days off.
4. The department head may designate other travel as time worked.

J. CALL-BACK

1. Call-back applies to an employee who is not in on-call status and is called back to the campus to work in her/his department after completing a shift and leaving the campus but before her/his next scheduled shift.
2. An employee called back to the work site may be assigned by the University to perform available work, and shall be paid for the time actually worked upon return to the campus/hospital/Laboratory, or a minimum of four (4) hours, whichever is greater. Call-back time, whether worked or not, is considered time worked for the purpose of calculating hours of overtime.

K. ON-CALL

The University retains the right to determine the need for, and the assignment of, on-call time. An employee is not considered to be in on-call status unless s/he has previously been scheduled by the University for the assignment. Employees in on-call status are required to inform the employer how they can be reached or to carry a pager in order to receive a call to work. An employee in on-call status is not eligible for minimum call-back payments. An employee in on-call status who is called to perform work or to return to the work site will be paid at her/his regular rate of pay for the time worked. Payment for on-call time paid at the on-call rate is included as part of compensation in calculating the regular rate when determining premium overtime pay.

1. Unrestricted on-call is time during which an employee is free to engage in activities for their own purposes but is required to be available for work or timely return to the work site when called to work. Time in unrestricted on-call status is not counted as hours worked or time on regular pay status when employees are not required to be at the work location or to actually perform work from a location other than the work location. Unrestricted on-call will be compensated at the on-call rate, as listed in Appendix A.
2. Restricted on-call is time during which the employee is required to restrict personal activities so that time cannot be effectively used for their own purposes. Restricted on-call will be considered hours worked and will be paid at the employee's normal pay rate (or overtime if appropriate).

L. OVERTIME

1. Definition

Overtime is time worked which exceeds the hours of a full-time employee's regular daily

schedule on pay status or exceeds forty (40) hours on pay status in a workweek

- a. Pay status includes time worked and paid leave such as sick leave, vacation leave, holidays, military leave, compensatory time off and administrative leave with pay.
- b. Overtime hours are compensated at one and one-half times (1½X) the straight-time rate only when an employee has actually worked in excess of forty (40) hours in the scheduled workweek.
- c. Overtime hours do not count toward accumulation of sick leave, vacation, holiday, or retirement service credit.
- d. Actual time worked for the purpose of computing overtime does not include hours paid in non-work status, such as sick leave pay, vacation pay, holiday pay, compensatory time, and paid leave of absence pursuant to Article 14 - Leaves of Absence, except as provided in Article 9 - Holidays, Section C.2.

2. Assignment of Overtime

- a. The University shall decide when overtime is needed. Overtime must be approved in advance by the University. As soon as practicable after the need for overtime is determined, the University shall notify the employee that overtime must be worked. Employees are expected to work overtime when such work is assigned. If brought to the attention of the supervisor, the supervisor shall consider individual circumstances when assigning overtime.
- b. The University will assign overtime work by rotation based on departmental seniority of those employees on the same shift who normally perform the work involved. For purposes of this Article, rotation means that the last employee to work overtime will be the last considered for new overtime assignments. For the purposes of this Article, departmental seniority may be defined by each department at the campus/hospital/Laboratory. Such seniority is applied in the following manner:
 - 1) When there are employees volunteering to work the overtime, assignment of that overtime shall be based on greatest seniority, provided the employee(s) have the required skills, knowledge and ability to do the job.
 - 2) When no employee volunteers to work the overtime, assignment of that overtime shall be based on inverse order of seniority, provided the least senior employee has the skills, knowledge and ability necessary to perform the job.
- c. The University shall assign overtime to employees irrespective of their place on the seniority or rotation list(s) when the necessary skills, knowledge or abilities are not possessed by the employee who would otherwise be assigned in accordance with the above provisions.

3. Compensation of Overtime

In accordance with the following paragraphs, overtime shall be compensated at the appropriate rate either by pay or compensatory time off, if the department offers compensatory time off.

- a. Unless the employee and the University agree otherwise, overtime will be paid. An employee may, upon hire and thereafter during the month of June file a written indication of preference for either compensatory time off or pay with her/his immediate supervisor. The University shall grant the preference indicated.

- b. Compensatory time shall be paid or scheduled by the University in accordance with departmental needs. Accumulation of compensatory time is limited to a maximum of two-hundred forty (240) hours. An employee shall be paid for hours of overtime which exceed this limit. An employee may request to schedule the use of banked compensatory time. An employee's request for the scheduling of banked compensatory time shall be granted subject to the needs of the University and shall not be unreasonably denied.
- c. Overtime shall be reported and paid on the basis of the nearest quarter ($\frac{1}{4}$) hour.
- d. Designated hospital-based eight (8) hour employees who are assigned to a fourteen (14) consecutive day work period,
 - 1) Shall be compensated at one and one-half times ($1\frac{1}{2}X$) the regular-straight time rate for hours worked which exceed eight (8) hours of actual work in any work day within the fourteen (14) day work period; and
 - 2) Shall receive the time and one-half ($1\frac{1}{2}X$) overtime rate after eighty (80) hours of actual work in the fourteen (14) day period. Any payment at the time and one-half ($1\frac{1}{2}X$) rate for daily overtime hours worked within the fourteen (14) day work period shall be credited toward any time and one-half ($1\frac{1}{2}X$) compensation due for hours worked in excess of eighty (80) hours of actual work in the work period.

M. CONSECUTIVE DAYS OF WORK

- 1. Employees will be paid one and one-half times ($1\frac{1}{2}X$) their straight-time rate in the following circumstances, until a day off is granted:
 - a. When employees regularly scheduled to work eight (8) hours per day work more than six (6) continuous full shifts for more than six (6) consecutive days; and
 - b. When employees regularly scheduled to work ten (10) hours per day work more than five (5) continuous full shifts for more than five (5) consecutive days; and
 - c. When employees regularly scheduled to work twelve (12) hours per day work more than four (4) continuous full shifts for more than four (4) consecutive days.
- 2. The consecutive days of work provisions may be waived by the employee, either at her/his request or as the result of a scheduling change requested by the employee that results in such consecutive days of work.

N. GENERAL PROVISIONS

- 1. There shall be no duplication, pyramiding, or compounding of any premium wage payments.
- 2. This Article shall not be construed as a guarantee of or limitation on the number of hours per work day or workweek.

O. LAWRENCE BERKELEY NATIONAL LABORATORY

LBNL current policy on hours of work shall be in effect for employees at Lawrence Berkeley National Laboratory and shall supersede the provisions of this Article when in conflict with the Agreement.

ARTICLE 11 INDEMNIFICATION

Pursuant to and as regulated by the terms, limitations and qualifications of California Government Code Section 995 et seq., the University of California shall provide the defense and indemnification for University employees within the unit covered by this Agreement who are sued on account of acts or omissions arising from the course and scope of their employment with the University. The provisions of and applications of the Indemnification provision are not subject to Article 7 - Grievance Procedure or Article 3 - Arbitration Procedure of this Agreement.

ARTICLE 12
LABOR-MANAGEMENT MEETINGS

A. LOCAL LABOR-MANAGEMENT MEETINGS

The University and Teamsters Local 2010 agree to meet, following Teamsters Local 2010's written request, up to four (4) times per year unless the parties mutually agree otherwise. Each party shall designate a chair, who shall have responsibility to make arrangements for scheduling the labor-management meeting and for drawing up the agenda. Non-employee Teamsters Local 2010 representative(s) may attend the meetings.

1. Up to two (2) bargaining unit employees shall be released in a without-loss-of-straight-time pay status to attend each scheduled meeting, provided Teamsters Local 2010 has given the University at least seven (7) calendar days' notice of her/his selection. The parties may agree to allow additional unit employees to attend the meetings and may, by mutual agreement, agree to place those attendees in a without-loss-of-straight-time status while in attendance at the meeting(s).
2. Items to be included and discussed at the meetings are to be submitted at least seven (7) calendar days prior to the scheduled date of the meeting. Items not so submitted need not be responded to at the meeting. Appropriate agenda items for such meetings include:
 - a. Administration of the Agreement;
 - b. Dissemination of general information of interest to the parties;
 - c. Health and safety matters regarding bargaining unit employees;
 - d. General nondiscrimination-related issues, not pertaining to the facts of an individual employee's complaint(s);
 - e. Information regarding personnel transactions and vacancies;
 - f. Giving representatives an opportunity to express their views, or to make suggestions on subjects of interest to employees of the bargaining unit;
 - g. Subcontracting issues; and
 - h. Additional items mutually agreed to by the parties for placement on the agenda.

B. UNIVERSITY-WIDE LABOR-MANAGEMENT MEETINGS

1. The University (Office of the President Office of Employee & Labor Relations) and Teamsters Local 2010 agree to meet, following Teamsters Local 2010's written request, once per year to discuss items such as the administration of this Agreement. Additionally, the University and Teamsters Local 2010 agree to meet once per year, following Teamsters Local 2010's written request, to discuss the fringe benefit plans, coverages, benefit schedules, carriers, providers, premium rates, eligibility criteria and the amounts, if any, of University and/or employee contributions. The agenda of the meeting(s) shall be determined by mutual agreement of the parties at least seven (7) calendar days prior to the scheduled meeting date.
2. Teamsters Local 2010 may request release time for up to a total of ten (10) bargaining unit employees (but no more than one from each campus/Laboratory). Such representatives will be released from work in a without-loss-of-straight-time status to attend the scheduled meeting(s), provided Teamsters Local 2010 has given the University at least seven (7) calendar days

written notice of her/his designation. In the event that the designated Teamsters Local 2010 representative cannot attend such a meeting due to exigent circumstances, an alternate representative shall not unreasonably be denied from attending such a meeting. The parties may mutually agree to allow additional unit employees to attend the meetings and may, by mutual agreement, agree to place those attendees in a without-loss-of-straight-time status while in attendance at the meeting(s).

C. RELEASE TIME

1. Release time provided shall be in accordance with the provisions of Section A.1., Section B.2., and Section C.2., of this Article.
2. Without-loss-of-pay-status release time will be provided for the duration of the meeting, and for reasonable travel time to and from the meeting. Up to a total of eight (8) hours in one day release time may be provided for attendance at a university-wide labor/management meeting. Any travel and subsistence incurred by the employee(s) attending the meeting(s) shall be the responsibility of the employee or Teamsters Local 2010.

ARTICLE 13
LAYOFF AND REDUCTION IN TIME

A. DETERMINATION

The University shall determine when temporary or indefinite layoffs or reductions in time are necessary. This determination is non-grievable and non-arbitrable.

B. DEFINITIONS

1. A layoff is an involuntary separation from employment or an involuntary transfer to a limited appointment of a career employee. For the purposes of this Article, layoff shall include involuntary reductions in regularly scheduled hours of work. Layoffs may be temporary or indefinite.
2. A temporary layoff is a layoff in which the University specifies a date for return to work of not more than four months.
3. An indefinite layoff is a layoff for which no date for return to work is specified, or no date of restoration to the former appointment rate is specified.
4. For the purposes of this Article, seniority shall be calculated by full time-equivalent months (or hours) of University service. Employment prior to a break in service shall not be counted. When employees have the same number of full-time equivalent months (or hours), the employee with the most recent date of appointment is the "junior" employee.

C. SELECTION FOR LAYOFF

1. If, in the judgment of the University, budgetary or operational considerations make it necessary to curtail operations, reorganize, reduce the hours of the workforce and/or reduce the workforce, staffing levels will be reduced in accordance with this Article. The selection of classes for layoff shall be at the determination of the University.
2. With regard to indefinite layoff only, the order of indefinite layoff of employees in the same class within a layoff unit shall be in inverse order of seniority except that:
 - a. The University may retain, at its discretion, employees irrespective of seniority who possess special knowledge or abilities which are not possessed by other employees in the same class, which cannot be learned in less than 6 months, and which are necessary to perform the ongoing functions of the department/division.
 - b. Regardless of seniority, the department may elect to invite all clerical unit employees in the same class within a layoff unit to volunteer for layoff. In that case, the union shall be notified of the invitation at the same time the invitation is transmitted to employees. The union shall also be informed of the identities of volunteers before the layoff occurs.
 - c. Upon notification to the more senior employee of reassignment to the least senior employee's position (or equivalent) he/she will be provided a copy of the job description, if the employee's duties will change. The employee may request to be laid off out of inverse seniority order. The University shall not solicit volunteers to be laid off out of seniority order. If the University proposes to grant the request, it shall provide notice to Teamsters Local 2010. Teamsters Local 2010 will have (15) calendar days to object in writing. Absent written objection within (15) calendar days, the University will proceed with out of seniority layoff.

3. The department head shall select employees for layoff, but shall minimize indefinite layoffs from career positions by first reviewing the necessity for existing limited appointment and casual/restricted positions, within the department.

D. NOTICE

1. When the University selects particular members of the unit for layoff, it shall give individual notice to each employee of the effective date of the layoff and whether the layoff is temporary or indefinite. A copy of the notice provided to the employee shall be sent to Teamsters Local 2010 by facsimile or U.S. mail on the same or next business day. Teamsters Local 2010 will be responsible for providing the University with the fax numbers/addresses that apply to each campus/hospital/Laboratory. Except in cases of emergencies (including, but not limited to natural disasters and acts of war), advance notice of a layoff will be provided as follows:
 - a. For temporary layoff expected to last 120 calendar days or less, the University shall give 15 calendar days' notice of the expected beginning and ending dates of the layoff.
 - b. For indefinite layoff, the University shall give 60 calendar days notice, if feasible. The University may provide pay in lieu of notice. In no event shall an employee receive less than 45 days' notice of indefinite layoff. For conversion from temporary layoff to indefinite layoff, the University shall give 30) calendar days' notice.
 - c. In the event of an anticipated indefinite layoff of five or more full-time equivalent (FTE) employees on the same effective date in the same layoff unit, the University will give 45 calendar days' notice to Teamsters Local 2010. When such notice is provided regarding the layoff of five or more FTE, the campus/hospital/Laboratory will, upon receipt of a timely written request from Teamsters Local 2010, meet with Teamsters Local 2010 to discuss the layoff. During the meeting the parties may discuss alternatives to layoff.
2. When the University determines that there is to be a change in a layoff unit within the bargaining unit, it shall give Teamsters Local 2010 advance notice of at least 30 days and upon request shall meet and discuss such proposed changes. Changes to a layoff unit shall not occur more frequently than each 120-calendar days.

E. PREFERENTIAL REHIRE

1. A non-probationary career employee who is indefinitely laid off shall have preferential rehire status for an active vacant career position. An active career position is a position which the University, in its sole discretion, determines to fill. First consideration for preferential rehire shall be given to employees who are on layoff status (not currently employed by the University) and who were laid off from the same department where the vacant position exists. In order to be placed in such a position, the employee must, as determined at the sole, non-grievable discretion of the University, be fully qualified to perform the duties of the position. Such employees are rehired provided:
 - a. The active, vacant career position is in the same bargaining unit and at the same campus/hospital/Laboratory as the position from which the employee was laid off; and
 - b. The active, vacant career position is in a class with the same or lower salary range maximum as the class from which the employee was laid off; and
 - c. The active, vacant career position is at the same or lesser percentage of time as the position from which the employee was laid off.
2. Employees who are eligible for preferential rehire status with less than five years of seniority at

the time the layoff occurs shall retain preferential rehire status eligibility for one year. Employees who are eligible for preferential rehire status with five years, but less than 10 years seniority at the time the layoff occurs shall retain preferential rehire status eligibility for two years. Employees who are eligible for preferential rehire status with 10 years or more seniority shall retain preferential rehire status eligibility for three years. An employee who accepts a limited or floater appointment shall remain eligible for preferential rehire rights during the period of preferential rehire.

3. An employee may exercise his or her rights to preferential rehire immediately after the employee receives written notification of layoff and meets with the campus representative designated in the layoff notice. An employee who exercises preferential rehire rights and is not selected for the position will, upon request, be informed in writing of the reasons for the non-selection.
4. Employees preferentially rehired from layoff status who fail to perform satisfactorily may, at any time during the six months following such return, be returned to layoff status with restoration of full preferential rehire status. In addition, an employee, at his or her option, may request to be returned to layoff status within 60 calendar days of rehire. The time on job status will not be counted as part of preferential rehire eligibility time.
5. Preferential Rehire Termination - The preferential consideration described above shall terminate at the end of the period of eligibility described in Section E.2. above, or if an employee:
 - a. Refuses an offer to return, at the same or greater percentage of time, to that department/division and class from which laid off; or
 - b. Accepts any career position; or
 - c. Refuses two offers of employment for a career position at the same or higher salary level and the same percentage of time as the position held by the employee at the time of layoff; or
 - d. Fails to respond to a written notice of a career employment opportunity within 15 calendar days. The 15-calendar day response period shall begin immediately upon personal notice of the career employment opportunity or 10 calendar days from the date written notice is postmarked.
6. If an employee voluntarily reduces his or her time for a reason listed in Section C.1. above, within one year prior to a layoff, the employee is entitled to recall/rehire rights at a percentage of time equal to that from which the employee voluntarily reduced his or her time. The request for the voluntary reduction must be submitted by the employee in writing and approved by the supervisor and must state the effective date and the percentage of the reduction in time.

F. RECALL

1. A non-probationary career employee who is indefinitely laid off shall be recalled in order of seniority to an active, vacant career position, provided:
 - a. The active, vacant career position is in the same class and department at the same or lesser percentage of time as the position from which the employee was laid off.
 - b. The employee is qualified to perform the duties of the active, vacant career position.
2. Employees who are eligible for recall shall retain recall eligibility for three years from the date of

layoff. An employee who accepts a limited appointment or a position in a lower class or at a lesser percentage of time shall remain eligible for recall rights during the period of recall.

3. Employees recalled from layoff status to a new position who fail to perform satisfactorily may, at any time during the six months following such return, be returned to layoff status with restoration of full recall rights. The time on job status will not be counted as part of recall eligibility time.
4. Recall Termination - The right to recall terminates at the end of the period of eligibility or if an employee:
 - a. Refuses a recall to work; or
 - b. Refuses two offers of reemployment in career positions at the same or greater percentage of time and at the same or higher salary level; or
 - c. Accepts a career position at the same or higher salary level within the University.

G. SEVERANCE

1. A career employee with at least one full year of service who has received a notice of indefinite layoff may elect in writing, severance pay in lieu of preferential rehire and recall rights within fourteen (14) calendar days of receipt of the notice of layoff. Election is irrevocable. Each campus department shall, in each instance of layoff, including reduction in time, offer severance in lieu of preferential rehire and recall rights to all employees in the department affected by the layoff. Severance pay shall be in accordance with the following:
 - a. An employee who elects severance pay in lieu of preference for reemployment and the right to recall shall be paid a lump sum amount of one week (5 workdays) of salary for each full year of service from the most recent break in service, up to a maximum of 16 weeks of base pay.
 - b. An employee whose time has been reduced indefinitely and who elects severance pay in lieu of preference for reemployment and the right to recall shall receive severance pay for the percent of time reduced in accordance with the payment schedule above.
 - c. Employees who are laid off following a reduction in time that occurred within 60 calendar days of the layoff notice shall be eligible for severance on the basis of their percentage of appointment just prior to their reduction in time.
 - d. This section shall not apply to temporary layoff or reduction in time except as provided in Section G.1.c. above.
2. An employee who has received severance pay under this provision and who returns to work in a career position with the University at the same or higher salary and same percentage of time as the position held at the time of the layoff shall repay to the University the portion of severance pay received that exceeds the time the employee was laid off. Before returning to work, the employee must make repayment in full or sign a repayment agreement.
3. Should an employee be returned to work as a result of a grievance, arbitration, or settlement agreement related to the layoff, any severance pay received will be deducted from the back pay award. An employee cannot be returned to work without first repaying the severance or signing a severance repayment agreement.

H. CONTINUITY OF SERVICE UPON REEMPLOYMENT

1. A temporary layoff does not create a break in service. Reemployment in a career position within the period of right to recall provides continuity of service and continuation of previously accrued seniority and, therefore, no break in service. However, seniority and benefits accrue only when an employee is on pay status.
2. An employee who has been laid off and is rehired at another University location within the employee's period of recall will be eligible for the following as a result of no break in service:
 - a. Reinstatement of all sick leave accumulated from prior service,
 - b. Reinstatement of vacation accrual rate,
 - c. Calculation of University service based on full-time equivalent months (or hours) of University service, and
 - d. Buy-back of UCRP service credit according to the University Benefit Regulations.

I. EFFECT ON BENEFIT COVERAGE

See Article 42 – University Benefits, Section C.1.

J. LAWRENCE BERKELEY NATIONAL LABORATORY

For employees at Lawrence Berkeley National Laboratory, the Requirements and Policies Manual (RPM), Severance, shall supersede the provisions above, when in conflict with the agreement. Upon the written request of Teamsters Local 2010, the Parties shall meet and confer, regarding any proposed changes to the RPM, that alter the referenced provision.

ARTICLE 14 LEAVES OF ABSENCE

A. GENERAL PROVISIONS

Subject to the provisions of this Article, leaves of absence may be with or without pay, may be for medical purposes and/or non-medical reasons, and are subject to the approval of the University. Nothing shall preclude the University, on a campus-by-campus basis, from establishing, implementing, or continuing a Catastrophic Illness or Injury Leave policy covering Clerical and Allied Services unit employees. The parties agree to abide by applicable state and federal law.

1. Definitions

- a. Non-medical leaves of absence, with or without pay, include: Family and Medical Leave (FML) taken for certain purposes (to care for a family member with a serious health condition, Parental Leave, Military Caregiver Leave, and Qualifying Exigency Leave), as well as leave for jury duty, voting, blood donations, administrative or legal proceedings, emergencies, and University functions.
- b. Medical Leaves with or without pay, include: FML taken because of the employee's own serious health condition, Pregnancy Disability Leave (whether or not it qualifies as FML), and Disability Leave.
- c. FMLA is the federal Family and Medical Leave Act of 1993.
- d. CFRA is the California Family Rights Act of 1995.
- e. PDLL is the California Pregnancy Disability Leave Law, which is part of the California Fair Employment & Housing Act.

2. Use Of Family And Medical Leave (FML) Entitlement

- a. If an employee eligible for FML takes a leave for an FML-qualifying reason (as defined in Section B. below), the absence from work shall be deducted from the employee's FML entitlement.
- b. If an employee is ineligible for FML or has exhausted her/his leave year entitlement for FML and requests leave for a serious health condition that would qualify as a disability, an approved disability leave of absence may be provided for the period(s) an eligible employee is absent from work for verifiable medical reasons as provided in Section C. and Section D. of this Article.

3. Benefit Eligibility While On Leave Without Pay

- a. Special Benefit Eligibility For FML Leaves - A benefits-eligible employee shall have University-provided health benefits continued for the period of the FML Leave in accordance with Section B.1.g. of this Article.
- b. An approved leave without pay shall not be considered a break in service.
- c. The provisions of Article 36 - Sick Leave, Article 44 - Vacation, and Article 42 - University Benefits shall apply when employees are on an approved leave without pay.
- d. A benefits-eligible employee on an approved leave without pay may elect to continue University-sponsored insurance coverages (as determined by plan documents or

regulations) for the period of the leave by remitting the entire premium amount due for the period of the approved leave, in accordance with the provisions of the applicable plan(s). Regulations of the retirement systems determine the effects of leave without pay on retirement benefits.

4. Requests For Leave

Except as provided under Section B.3. (Notification), Section E. (Military Caregiver Leave), Section F. (Qualifying Exigency Leave), and Section G. (Military Spouse/Domestic Partner Leave), requests for leaves of absence and extensions, with or without pay, shall be submitted in writing to the University. Such requests shall be submitted sufficiently in advance of the requested leave date to provide the University time to assess the operational impact of granting the request. All requests for leaves of absence shall contain the requested beginning and end date of the leave, and any additional information as required.

5. Duration

- a. The start date of the leave, the terms of the leave and the date of return from the leave are determined when the leave is granted, and shall be communicated to the employee, in accordance with the provisions of this Article. For leaves other than FML, written confirmation shall be provided when the University determines such confirmation is appropriate. For leaves that are FML, see Section B.1.c.2. below.
- b. Except as provided for under Pregnancy Disability Leave (Section C.2.b.2.) and Personal Leave of Absence Without Pay (Section H.2), the aggregate maximum of leaves taken in any combination shall not exceed six (6) months in any one (1) year period, except as may otherwise be required by law.
- c. No employee with a predetermined appointment end date or predetermined date of separation shall be granted a leave of absence beyond her/his appointment end date or the predetermined date of separation.

6. Return To Work

- a. Except as provided in Section B (Family and Medical Leave), Section C (Pregnancy Disability Leave), and Article 17 - Military Leave, an employee who has been granted an approved leave with or without pay shall be reinstated to the same or a similar position in the same department upon expiration of the leave, in accordance with the Provisions of this Article. If the position held has been abolished or affected by layoff during the leave, the employee shall be afforded the same considerations which would have been afforded had that employee been working when the position was abolished or affected by layoff. For reinstatement after FML leave other than Pregnancy Disability Leave, see Section B.1.h. For reinstatement after Pregnancy Disability Leave, see Section C.5.
- b. Failure to provide a medical release to return to work, as required in Section B.1.e., Section C.4.e., and Section D.4., may result in the delay of reinstatement until the employee submits the required medical release certification.
- c. An employee who has exhausted her/his original leave entitlement and who has been granted additional leave under another section of this Article shall be reinstated in accordance with the provisions of the section under which the additional leave was granted. The employee shall be advised in writing of her/his reinstatement rights, at the time the additional leave is granted.

- d. An employee who fails to return to work from a leave of absence on the approved anticipated date of return shall be considered to have abandoned her/his job, in accordance with Article 32 - Resignation/Job Abandonment.

B. FAMILY AND MEDICAL LEAVE (FML)

An employee who is eligible for Family and Medical Leave (FML) and has not exhausted her or his FML entitlement for the leave year, as discussed below, may take FML for any of the following six reasons, as described in greater detail in this Section below:

- Due to the employee's own serious health condition (Section B.2.)
- To care for a family member with a serious health condition (Section B.3.)
- As Pregnancy Disability Leave (Section B.4.)
- As Parental Leave (Section B.5.)
- As Military Caregiver Leave (Section E.)
- As Qualifying Exigency Leave (Section F.)

FML is unpaid leave, except as otherwise provided in Section B.1.f. below.

1. General Provisions for FML

a. Definitions

- 1) CHILD means a biological child, adopted child, foster child, stepchild, legal ward, or child for whom the employee stands *in loco parentis*, provided that the child is either under 18 years of age or incapable of self-care because of a mental or physical disability.
- 2) PARENT means a biological parent, foster parent, adoptive parent, stepparent, legal guardian or individual who stood *in loco parentis* to the employee when the employee was a child.
- 3) A SERIOUS HEALTH CONDITION is an illness, injury (including, but not limited to, on-the-job injuries), impairment, or physical or mental condition that involves either inpatient care or continuing treatment, including, but not limited to, treatment for substance abuse.
 - a) "Inpatient care" means a stay in a hospital, hospice, or residential health care facility, any subsequent treatment in connection with such inpatient care, or any period of incapacity. A person is considered an "inpatient" when a health care facility formally admits her or him to the facility with the expectation that s/he will remain at least overnight and occupy a bed, even if it later develops that such person can be discharged or transferred to another facility and does not actually remain overnight.
 - b) "Incapacity" means the inability to work, attend school, or perform other regular daily activities due to a serious health condition, its treatment, or the recovery that it requires.
 - c) "Continuing treatment" means ongoing medical treatment or supervision by a health care provider, as defined below.

- 4) A HEALTH CARE PROVIDER is an individual who is licensed in California or is duly licensed in another State or jurisdiction, to hold either a physician's and surgeon's certificate or an osteopathic physician's and surgeon's certificate, or who is duly licensed as a podiatrist, dentist, clinical psychologist, optometrist, chiropractor (limited to the treatment of the spine to correct a subluxation as demonstrated by x-ray to exist), physician assistant, nurse practitioner or nurse mid-wife performing within the scope of her/his duties as defined under State law, a Christian Science practitioner, or any health care provider that the employee's health plan carrier recognizes for purposes of payment.
- 5) "1,250 HOURS OF ACTUAL SERVICE" means time actually spent at work and does not include any paid time off including but not limited to an employee's use of accrued vacation, compensatory time, or sick leave, nor does it include time paid for holidays not worked or time spent in unrestricted on-call status.

b. Eligibility Criteria And Duration

- 1) Employees who have at least twelve (12) cumulative months of University service and have worked at least 1,250 hours of actual service (as defined in Section B.1.a.6.) during the twelve (12) month period immediately preceding the commencement of the leave are eligible for and shall be granted FML. For the purposes of this Article and section B, only, all prior University service, including service with the Department of Energy Laboratories, shall be used to calculate the twelve-month service requirement.
- 2) FML is unpaid leave, except as otherwise provided in Section B.1.f of this Article.
 - a) An employee's use of her/his accrued Compensatory Time Off cannot be deducted from the employee's maximum FML entitlement, and shall not be granted if FML is taken for any reason other than Pregnancy Disability Leave. If an employee chooses to use Compensatory Time Off during Pregnancy Disability Leave in accordance with Section B.1.f.5 of this Article, that time will be deducted from the employee's FML entitlement. All other time off used for FML purposes, including Work Incurred Injury and Illness leave under Article 47, shall be deducted from the employee's maximum FML entitlement.
 - b) Such deductions will be made in increments that correspond to the amount of leave time actually taken by the employee (which could be weeks, days, hours, and/or partial hours).
- 3) FML shall not exceed twelve (12) workweeks in a calendar year unless it is used for Pregnancy Disability Leave or Military Caregiver Leave. In the event University policy and/or State or Federal law result in a different date of commencement for this twelve-month period, the commencement period for employees in this bargaining unit shall conform to the commencement date generally applicable to other University employees. If the employee is taking FML as Pregnancy Disability Leave, the employee shall be eligible for FML for the period of actual disability up to (4) months per pregnancy. If the employee is taking FML for Military Caregiver Leave, the employee shall be eligible for up to twenty-six (26) workweeks in a single 12-month leave period, as defined in Section E.2.h. below.
 - a) For the purposes of FML only, twelve (12) workweeks is equivalent to four-hundred eighty (480) hours of scheduled work for full-time career and

floater employees who are normally scheduled for an eight (8) hours per day five (5) days per workweek (8/40) schedule.

- b) **HOURLY CONVERSION FOR PART-TIME OR ALTERNATIVELY SCHEDULED EMPLOYEES.** For employees who work part-time or a schedule other than an 8/40, the number of FML hours to which the employee is eligible shall be adjusted in accordance with her/his normal weekly work schedule. An employee whose schedule varies from week to week is eligible for a pro-rated amount of FML based on her/his hours worked over the previous twelve (12) months preceding the leave.
- 4) **EMPLOYEE REQUESTS FOR REDUCED WORK SCHEDULES.** When medically necessary and supported by medical certification, the University shall grant an eligible employee's request for a reduced work schedule or intermittent leave including absences of less than one (1) day. When granted, the University will count only the time actually spent on the intermittent leave or reduced work schedule towards the employee's FML entitlement.
- 5) **ALTERNATE ASSIGNMENTS TO ACCOMMODATE INTERMITTENT LEAVE OR REDUCED WORK SCHEDULE.** When the employee requests an intermittent leave or a reduced work schedule because the employee is undergoing planned medical treatment for her/his serious health condition or because the employee's family member is undergoing planned medical treatment for a serious health condition, the University may, at its sole non-grievable discretion, require the employee to transfer temporarily to an available alternate position for which the employee is qualified and which better accommodates the employee's recurring period of leave. Such transfer shall not act to discourage the employee from taking leave or otherwise work a hardship on the employee. Such transfer shall have equivalent pay and terms and conditions of employment, but does not need to have equivalent duties.
- 6) If the employee has exhausted her/his entitlement to FML, s/he may apply for additional leave pursuant to this Article.

c. **Notification**

- 1) If the employee learns of the event giving rise to the need for leave more than thirty (30) calendar days in advance of the leave's anticipated initiation date, the employee shall give the University at least thirty (30) calendar days' notice of the need for leave. An employee who fails to give thirty (30) days' notice for a foreseeable leave with no reasonable basis for the delay, may have the FML Leave delayed until thirty (30) days after the date on which the employee provides notice.
 - a) If the need for leave is foreseeable due to a planned medical treatment of the employee (due to the employee's serious health condition or pregnancy disability) or the planned medical treatment of the employee's family member with a serious health condition, the employee shall make reasonable efforts to schedule the treatment so as to not unduly disrupt the University's operations.
 - b) If the need for leave is unforeseeable or actually occurs prior to the anticipated date of foreseeable leave, the employee shall provide the University with as much notice as practicable and, at a minimum, notify

the University within five (5) calendar days after learning of the need for leave.

- 2) The University shall determine whether the employee meets the eligibility requirements and qualifies for an FML Leave and shall, within five (5) days of that determination, notify the employee whether the leave is designated or provisionally designated as FML Leave. The start date of the leave, the terms of the leave and the date of return from the leave are determined when the leave is granted.
- 3) Extensions to an FML Leave may be granted, up to the aggregate maximum of twelve (12) workweeks in a calendar year (or 26 workweeks in a single 12-month period if FML is being taken as Military Caregiver Leave or four (4) months per pregnancy if FML is taken as Pregnancy Disability Leave). If an employee's need for leave continues after her or his FML entitlement has been exhausted, the employee may be eligible for Disability Leave in accordance with Section D. of this Article (if FML was taken due to the employee's own serious health condition or as Pregnancy Disability Leave) or may request a Personal Leave in accordance with Section H. of this Article.

d. Certification and Other Supporting Documentation

- 1) **CERTIFICATION WHEN FML IS TAKEN FOR THE EMPLOYEE'S OWN SERIOUS HEALTH CONDITION.** When FML is requested for the employee's own serious health condition, the University may, at its discretion, require that an employee's request for leave be supported by written certification issued by the employee's health care provider. When the University requires certification, the University shall inform the employee of this requirement in writing. Certification may be provided by the employee on a form given to the employee by the University and shall, regardless of the format in which it is provided, include:
 - a) Certification that the employee has a serious health condition as defined in Section B.1.a.4., above; and
 - b) A statement as to whether the employee is unable to perform any one or more of the essential assigned functions of the position; and
 - c) The date on which the employee's serious health condition began, if known, the probable duration of the condition and the employee's probable date of return; and
 - d) Whether it will be medically necessary for the employee to take leave intermittently or to work on a reduced work schedule, and if so, the probable duration of such schedule; and
 - e) If the condition will result in periodic episodes of incapacity, an estimate of the duration and frequency of episodes of incapacity.
- 2) **CERTIFICATION WHEN FML IS TAKEN TO CARE FOR THE EMPLOYEE'S FAMILY MEMBER WITH A SERIOUS HEALTH CONDITION.** When FML is requested so that the employee may care for a family member with a serious health condition, the University may, at its discretion, require that an employee's request for leave be supported by written certification issued by the family member's health care provider. When the University requires certification, the University shall inform the employee in writing. Certification may be provided by

the employee on a form given to the employee by the University and shall, regardless of the format in which it is provided, include:

- a) Certification that the employee's family member has a serious health condition as defined in Section B.1.a.4., above; and
 - b) A statement that the family member's serious health condition warrants the participation of the employee to provide supervision or care (which includes psychological comfort) during a period of the treatment or incapacity; and
 - c) Whether the employee's family member will need supervision or care over a continuous period of time, intermittently or on a reduced schedule basis; the leave schedule the employee will need in order to provide that care; and the probable duration that need for leave.
 - d) In addition, the employee will be required to certify either on the same form or separately the care s/he will provide the family member and the estimated duration of the period of care.
- 3) CERTIFICATION WHEN FML IS TAKEN AS PREGNANCY DISABILITY LEAVE. When FML is taken as Pregnancy Disability Leave, the employee may be required to provide a certification in accordance with Section C.4. below.
- 4) CERTIFICATION WHEN FML IS TAKEN FOR MILITARY CAREGIVER LEAVE. When Military Caregiver Leave is requested, the employee may be required to provide a certification completed by an authorized health care provider of the covered servicemember, which includes health care providers affiliated with the Department of Defense, the Veterans Administration, and TRICARE, as well as any other health care provider (as defined in Section B.1.a.5. above) who is treating the covered servicemember. The certification shall provide information sufficient to establish entitlement to Military Caregiver Leave, including information establishing that the servicemember is a covered servicemember for purposes of Military Caregiver Leave and that she or he has a covered relationship with the employee, as well as an estimate of the leave needed to provide the care. When the covered servicemember is a covered veteran, the employee may be required to provide information establishing her or his veteran status, the date of separation from the Armed Forces, and that separation was other than dishonorable.
- 5) CERTIFICATION WHEN FML IS TAKEN FOR QUALIFYING EXIGENCY LEAVE. When Qualifying Exigency Leave is requested, an employee may be required to provide a copy of the military member's active duty orders. Employees may also be required to provide certification of: (1) the reasons for requesting Qualifying Exigency Leave, (2) the beginning and end dates of the qualifying exigency, and (3) other relevant information.
- 6) CONFIRMATION OF FAMILY RELATIONSHIP. The University may, at its sole non-grievable discretion, require that an employee complete a Declaration of Relationship form to certify her/his relationship with the family member when the employee is requesting FML to care for a family member with a serious health condition or to certify her/his relationship with the child when the employee is requesting FML as Parental Leave. The employee's failure to provide a completed Declaration of Relationship form within fifteen (15) calendar days of the University's written request may, at the sole non-grievable discretion of the

University, result in discontinuance of the leave until the required documentation is provided or, if the leave has not yet begun, a delay in the start of the leave. If the employee fails to provide the completed Declaration of Relationship form within a reasonable period of time as requested, FML leave will be denied.

- 7) **QUESTIONED MEDICAL CERTIFICATIONS.** Should the University have a good faith, objective reason to doubt the validity of the employee's certification for her/his own serious health condition, the University may, at its sole non-grievable discretion, require the employee to obtain a second medical opinion from a second health care provider selected by the University. Should the second medical opinion differ from the opinion of the employee's own health care provider, the University may, at its sole non-grievable discretion, require a third medical opinion from a third health care provider, jointly agreed to by the employee and the University. The University shall bear the cost of the second and third opinions, and the third opinion shall be final. If a second or third opinion is sought, the University shall provide the employee with a copy of the opinion at no cost to the employee, upon request.
- 8) **ADDITIONAL CERTIFICATION AND/OR RECERTIFICATION.** If additional leave is requested or should the circumstances of the leave change, the University may, at its sole non-grievable discretion, require the employee to obtain recertification. Such requests for subsequent certification and/or recertification may be either verbal or in writing.
 - a) If certification and/or recertification is required, the employee shall return the certification within fifteen (15) calendar days of the University's written request, where practicable.
 - b) Failure to provide certification and/or recertification for a foreseeable leave within the requested time may result in delay of the leave until the required certification is received. Failure to provide certification for an unforeseeable leave within the requested time period may result in discontinuance of the leave until the required certification is provided. If the employee fails to provide certification, the leave is not FML and will be denied.
- 9) **FAILURE TO PROVIDE COMPLETE CERTIFICATION AND/OR RECERTIFICATION.** If the employee fails to provide a completed certification and/or recertification, the employee shall be given at least fifteen (15) calendar days to perfect the certification and/or recertification. Failure to perfect an incomplete certification and/or recertification within the requested time period may result in delay of the leave or discontinuance of the leave until the required certification and/or recertification is provided. If the employee fails to provide a complete certification and/or recertification, the leave is not FML and will be denied.

e. Return From FML Taken For Employee's Own Serious Health Condition

- 1) The employee shall provide her/his employing department reasonable notice of her/his anticipated return to work.
- 2) An employee who has been granted an FML Leave for her/his own serious health condition must provide a written medical release to return to work prior to returning to work.

- 3) The employee who has been medically released to perform the essential assigned functions of her/his job, shall be returned in accordance with the provisions of Section B.1.h.
- 4) Failure to provide a medical release to return to work may result in the delay of reinstatement until the employee submits the required medical release certification.

f. Use Of Accrued Paid Leave

- 1) FML is unpaid, except for the use of sick leave and/or the use of accrued vacation, as provided in this Article:
- 2) An employee on FML for her/his own serious health condition:
 - a) Shall use accrued sick leave in accordance with the University's disability plan requirements; or
 - b) If not eligible for University disability benefits and not on leave as a result of a work-incurred injury or illness, shall use all accrued sick leave prior to taking leave without pay; or
 - c) If on leave due to a work-incurred injury or illness, may use accrued sick leave as provided in Article 47 - Work Incurred Injury or Illness.
- 3) An employee on FML for her/his own serious health condition shall use accrued vacation time prior to taking leave without pay, if all accrued sick leave has been exhausted.
- 4) An employee on FML to care for a family member with a serious health condition or taking FML as Military Caregiver Leave may use sick leave in accordance with Article 36 - Sick Leave, Section B.3., and shall use accrued vacation time prior to taking leave without pay.
- 5) An employee on FML for Pregnancy Disability Leave shall use all accrued sick leave before taking leave without pay and shall have the option to use accrued vacation time or Compensatory Time Off instead of taking leave without pay.
- 6) An employee taking FML as Parental Leave shall use accrued vacation time prior to taking leave without pay.
- 7) An employee taking FML as Qualifying Exigency Leave shall use accrued vacation time prior to taking leave without pay.
- 8) An employee on FML for any reason other than Pregnancy Disability Leave may not use Compensatory Time Off instead of taking leave without pay.

g. Continuation Of Health Benefits

An eligible employee who is on an approved FML Leave shall be entitled to continue participation in health plan coverage (medical, dental, and optical) as follows:

- 1) When the employee is on FML that runs concurrently under the FMLA and CFRA: Continued coverage for up to twelve (12) workweeks in a calendar year.

- 2) When the employee is on a Military Caregiver Leave under the FMLA: Continued coverage for up to twenty-six (26) workweeks in a single 12-month leave period, as defined in Section E.2.h below.
- 3) When the employee is on a Qualifying Exigency Leave under the FMLA: Continued coverage for up to twelve (12) workweeks in a calendar year.
- 4) When the employee is on a Pregnancy Disability Leave under the California Pregnancy Disability Leave Law, regardless of whether any of the leave runs concurrently under the FMLA: Continued coverage for up to four (4) months in a twelve-month period. If any of the Pregnancy Disability Leave runs concurrently under the FMLA, the continued coverage provided for that portion of the leave will count towards the employee's FMLA entitlement for up to twelve (12) workweeks of such coverage in a calendar year.
- 5) When the employee is on FML under the CFRA that does not run concurrently under the FMLA (e.g., Parental Leave after an employee's FMLA entitlement has been exhausted): Continued coverage for up to twelve (12) workweeks in a calendar year.

h. Return To Work

When an employee has been granted an approved FML Leave for any purpose other than Pregnancy Disability Leave and returns within twelve (12) workweeks of the initiation of the leave (or within twenty-six (26) workweeks if the FML was taken for Military Caregiver Leave), s/he shall be reinstated to the same or an equivalent position upon expiration of the leave. For an employee's return to work rights after Pregnancy Disability Leave, see Section C.5. below. If the position has been abolished or otherwise affected by layoff and an equivalent position is not available, the employee shall be afforded the same considerations that would have been afforded had the employee been working when the position was abolished or affected by layoff. No employee with a predetermined appointment end date or predetermined date of separation shall be granted a leave of absence beyond her/his appointment end date or the predetermined date of separation. An employee who has been granted FML for her/his own serious health condition, may be required by the University to provide a written medical release to return to work prior to her/his return to work, as set forth in Section B.1.e.

2. FML for Employee's Serious Health Condition

FML for the employee's own serious health condition is leave taken when the employee's own "serious health condition," as defined in Section B.1.a.4. above, renders the employee unable to perform any one or more of the essential functions of the employee's position.

3. FML to Care for Employee's Family Member with a Serious Health Condition

FML to care for a family member with a serious health condition is leave to care for the employee's child, parent, spouse or same or opposite sex domestic partner who has a "serious health condition," as defined in Section B.1.a.4. above.

4. FML as Pregnancy Disability Leave

When an employee who takes Pregnancy Disability Leave pursuant to Section C. below is eligible for FML, her Pregnancy Disability Leave will be counted against her FML entitlement under the FMLA as well as her Pregnancy Disability Leave entitlement under PDLL.

5. **FML as Parental Leave**

- a. FML as Parental Leave is leave taken to bond with the employee's newborn or a child placed with the employee for adoption or foster care or to attend to matters related to the birth, adoption, or placement of the child. Such leave must be initiated and concluded within one (1) year of the birth or placement of the child. The University shall grant Parental Leave subject to the limitations described below. If requested and taken immediately following a Pregnancy Disability Leave, an employee eligible for FMLA/CFRA at the beginning of her Pregnancy Disability leave shall be granted the unused portion of CFRA/FMLA leave for Parental Leave purposes, up to a maximum of twelve (12) workweeks. The amount available for use is determined by the amount that the employee has previously used under CFRA/FMLA in the calendar year.
- b. **REQUESTS FOR PARENTAL LEAVE.** The employee shall request Parental Leave sufficiently in advance of the expected birth date of the child or placement of a child for adoption or foster care to allow the University to plan for the absence of the employee, but the employee shall not be required to provide more than thirty (30) days advance notice. The anticipated date of return from Parental Leave shall be set at the time such leave commences, or if requested in conjunction with Pregnancy Disability Leave under the FMLA, shall be set at the time such Pregnancy Disability Leave commences. Parental Leave, when taken for adoption or foster care, could commence prior to the date of placement.
- c. **DURATION.** Parental Leave, alone, shall not exceed twelve (12) workweeks within a calendar year as set forth in Section B.1.b.3 above. However, when Parental Leave is combined with a Pregnancy Disability Leave under the FMLA, the total FML Leave shall not exceed seven (7) months in a calendar year.
 - 1) An employee on Parental Leave shall use accrued vacation time prior to taking leave without pay.
 - 2) The University shall grant a Parental Leave of less than two (2) weeks duration on any two (2) occasions during a calendar year.
 - 3) The University, at its sole non-grievable discretion, may require that any additional Parental Leave requested during this same time period be for a minimum duration of two (2) weeks, unless otherwise required by law.

C. **PREGNANCY DISABILITY LEAVE**

1. **Eligibility**

For an employee disabled because of pregnancy, childbirth, or related medical condition, no eligibility requirements apply, such as minimum hours worked or length of service.

2. **Duration**

- a. During the period when an employee is disabled because of verified pregnancy, childbirth, or related medical condition, an employee is entitled to and the University shall grant up to four (4) months of Pregnancy Disability Leave for such purposes. Pregnancy Disability Leave may also be used for prenatal care.
- b. If the employee is eligible for FML, pursuant to Section B., above, such leave shall be deducted from an employee's entitlement under the federal FMLA as well as her

entitlement under the PDLL.

- 1) If the employee continues to be disabled by pregnancy, childbirth, or related medical condition beyond four (4) months, a medical disability leave of absence may be granted in accordance with Section D., below, for a total medical absence not to exceed six (6) months, or as may otherwise be required by law.
 - 2) Additionally, the employee may be eligible for Parental Leave, pursuant to Section B.5, above, to care for her newborn child. The total FML taken for a combination of Pregnancy Disability Leave and Parental Leave shall not exceed seven (7) months in the calendar year.
- c. PREGNANCY DISABILITY LEAVE MAY CONSIST OF leave with or without pay; however, an employee shall be required to use accrued sick leave in accordance with the University's Disability Plan. If sick leave is exhausted, the employee may elect to use accrued vacation time before taking leave without pay.

3. **Transfer And Other Reasonable Accommodations As Alternatives To Or In Addition To Pregnancy Disability Leave**

- a. **TRANSFER AT THE REQUEST OF THE EMPLOYEE** - The University shall temporarily transfer a pregnant employee to a less strenuous or hazardous position upon the request of the employee when such transfer is medically advisable according to the employee's health care provider, if the transfer can be reasonably accommodated. For the purpose of this section, a temporary transfer includes a temporary modification of the employee's own position to make it less strenuous or hazardous. A temporary transfer under this section is considered time worked and shall not be counted toward an employee's entitlement of up to four (4) months of Pregnancy Disability Leave, unless the employee is also taking leave on a reduced work schedule or an intermittent leave schedule. When the employee's health care provider certifies that the transfer is no longer medically advisable, the University shall return the employee to her same position or a comparable position in accordance with Section C.5. below.
- b. **TRANSFER TO REASONABLY ACCOMMODATE EMPLOYEE'S NEED FOR INTERMITTENT OR REDUCED WORK SCHEDULE** - When the employee's health care provider states that it is medically advisable for the employee to take Pregnancy Disability Leave on an intermittent or reduced schedule basis, the University may, at its sole non-grievable discretion, transfer the employee temporarily to an available alternative position that meets the needs of the employee, provided the employee meets the qualifications of the alternative position. Any alternative position shall have the equivalent rate of pay and benefits, and shall better accommodate the employee's leave requirements than their regular position. Only the time actually spent on the intermittent or reduced schedule shall be counted towards the employee's entitlement of four (4) months in any twelve (12) month period. When the employee's health care provider certifies that the intermittent or reduced schedule leave is no longer medically advisable, the University shall return the employee to her same position or a comparable position in accordance with Section C.5. below.
- c. **OTHER REASONABLE ACCOMMODATIONS** – If the employee's health care provider certifies that reasonable accommodations other than transfer and/or leave on an intermittent or reduced schedule basis are medically advisable, the University shall engage in the interactive process with the employee to identify and implement the reasonable accommodation(s) that are appropriate under the circumstances.

4. Certification

- a. When an employee requests a reasonable accommodation, transfer, or leave due to pregnancy, childbirth, or related medical condition, the University may, in its sole non-grievable discretion, require that the employee's request be supported by a medical certification issued by the employee's health care provider.
- b. When a medical certification is requested in connection with the employee's request for reasonable accommodation or transfer, it shall contain the following: (1) a description of the requested accommodation or transfer, (2) a statement describing the medical advisability of the requested reasonable accommodation or transfer, and (3) the date on which the need for reasonable accommodation or transfer became or will become medically advisable and the estimated duration of the need for the reasonable accommodation or transfer.
- c. When a medical certification is required in connection with an employee's request for leave, it shall contain: (1) a statement that the employee needs to take Pregnancy Disability Leave because she is disabled by pregnancy, childbirth, or related medical condition, and (2) the date on which the employee became disabled because of pregnancy and the estimated duration of the need for leave.
- d. Failure to provide certification for reasonable accommodation, transfer, or leave within the requested time period or as soon as reasonably possible under the circumstances may result in delay of the leave until the required certification is provided.
- e. The University may, at its sole non-grievable discretion, require that an employee returning to work immediately following Pregnancy Disability Leave provide a written medical release prior to returning to work.

5. Return to Work After Pregnancy Disability Leave

- a. The date of reinstatement from the Pregnancy Disability Leave is typically determined by agreement between the University and the employee when the leave is granted. If the actual reinstatement date differs from the original agreement or no agreement was made and the employee is returning directly from Pregnancy Disability Leave, the University shall reinstate the employee within two (2) business days or, when two (2) business days is not feasible, as soon as possible after the employee notifies the University of her readiness to return.
- b. If the employee is returning to work directly following the end of the Pregnancy Disability Leave, she shall not be reinstated from her Pregnancy Disability Leave until a medical release certification is provided to the University within the time limits specified by the Department. A medical release certification shall include a statement by the employee's health care provider of the employee's ability to perform the essential functions of the position, with or without reasonable accommodation.
- c. An employee who has been granted a temporary transfer and/or Pregnancy Disability Leave shall be reinstated to the same position, provided that the employee returns to work immediately upon termination of the Pregnancy Disability Leave and provided that the aggregate duration of all leaves granted for a given pregnancy does not exceed four (4) months. If the same job has been abolished or affected by layoff, the employee shall be reinstated to a comparable position if the employee would have been entitled to the comparable position if she had been continuously working. If a comparable position is not available on the employee's scheduled date of reinstatement but a comparable position or positions become available within sixty (60) days thereafter, the University

shall notify the employee of the position(s). If the employee is reinstated within that sixty-day (60-day) period, the period between the employee's originally scheduled date of reinstatement and her actual reinstatement shall not be counted for purposes of any employee pay or benefits.

6. Continuation Of Benefits

An employee on Pregnancy Disability Leave shall be entitled to continue participation in health plan coverage (medical, dental, and optical) as set forth in Section B.1.g. above, whether or not the Pregnancy Disability Leave also qualifies as FML under the FMLA. Other group insurance coverage and retirement benefits shall be continued in accordance with the provisions of the applicable group insurance and retirement system regulations.

D. DISABILITY LEAVES OTHER THAN PREGNANCY DISABILITY LEAVE

1. A disability leave of absence is the period(s) for which an eligible career employee is granted leave from work for medical reasons in accordance with Section D.2., below. This leave includes the combined use of accrued sick leave and the disability leave of absence without pay in accordance with the provisions of this Article and Article 36 - Sick Leave. Disability leaves of absence with or without pay are provided for leaves due to non-work related illnesses or injuries.

2. Eligibility

- a. An employee may be eligible for a disability leave of absence with or without pay when s/he has exhausted her/his twelve (12) workweek FML entitlement in a calendar year, or s/he is not otherwise eligible for FML Leave, or the employee has exhausted her four (4) month entitlement under the Pregnancy Disability Leave Laws, and s/he:
- b. Is medically incapable of performing the essential assigned functions of her/his job due to a non-work related illness or injury; and
- c. Has furnished evidence of disability satisfactory to the University.

3. Duration

- a. When the use of accrued sick leave and a disability leave of absence without pay are combined, the University may grant a disability leave for a total period of verified disability not to exceed six (6) months, or as may otherwise be required by law.
- b. An employee granted a disability leave who is also applying for University disability benefits for non-work related disability purposes shall use all accrued sick leave in accordance with the University's disability plan prior to taking leave without pay.
- c. In the event that the employee's accrued sick leave is greater than six (6) months, a disability leave of absence without pay in addition to the use of all accrued sick leave, shall not be granted, except as may otherwise be required by law.
- d. If an employee has been provided a disability leave of six (6) months or more and further leave would cause an undue hardship, an employee will be medically separated in accordance with Article 16 - Medical Separation of this Agreement.
- e. An employee who is receiving long term disability payments from a retirement system to which the University contributes will be medically separated on the basis of medical condition in accordance with Article 16 - Medical

Separation of this Agreement.

4. Return To Work

- a. The employee shall not be reinstated from a medically-related leave of absence until a medical release certification is provided to the University within the time limits specified by the department. A medical release certification shall include a statement by the employee's health care provider of the employee's ability to perform the essential functions of the position, with or without reasonable accommodation.

E. MILITARY CAREGIVER LEAVE

Military Caregiver Leave is an additional type of FML available to eligible employees. An employee may take Military Caregiver Leave to care for a family member who is a "covered servicemember" undergoing medical treatment, recuperation or therapy for a serious injury or illness incurred in the line of duty, consistent with the definitions of those terms in Section E.2. below.

1. Eligibility Criteria and Duration

An eligible employee is entitled to up to twenty-six (26) workweeks of Military Caregiver Leave during a single 12-month leave period. The employee must be a spouse, domestic partner, parent, son, daughter or next of kin of the covered servicemember to be eligible for this type of leave and must meet the eligibility requirements for FML set forth in Section B.1.b. above.

2. Definitions Specific to Military Caregiver Leave

- a. "COVERED SERVICEMEMBER" means
 - 1) a current member of the regular Armed Forces (including a member of the National Guard or Reserves) who, because of a "serious injury or illness," is undergoing medical treatment, recuperation, or therapy; is otherwise in outpatient status; or is on the temporary disability retired list or
 - 2) a covered veteran who is undergoing medical treatment, recuperation, or therapy for a "serious injury or illness."
- b. "COVERED VETERAN" means an individual who was a member of the Armed Forces (including a member of the National Guard or Reserves) who was discharged or released under conditions other than dishonorable at any time during the five-year period prior to the first date the eligible employee takes Military Caregiver Leave to care for a covered veteran.
- c. "OUTPATIENT STATUS" means the status of a servicemember assigned to (1) a military medical treatment facility as an outpatient; or (2) a unit established for the purpose of providing command and control of members of the Armed Forces receiving medical care as outpatients.
- d. "SERIOUS INJURY OR ILLNESS" means
 - 1) For a current member of the Armed Forces (including a member of the National Guard or Reserves): an injury or illness that was incurred by the covered servicemember in the line of duty on active duty in the Armed Forces or that existed before the beginning of the covered servicemember's active duty and was aggravated by service in the line of duty on active duty in the Armed Forces and that may render the covered servicemember medically unfit to perform the

duties of his or her office, grade, rank, or rating;

- 2) For a covered veteran: an injury or illness that was incurred by the covered veteran in the line of duty on active duty in the Armed Forces (or existed before the beginning of the member's active duty and was aggravated by service in the line of duty on active duty in the Armed Forces) and manifested itself before or after the member became a veteran.
- e. "PARENT OF A COVERED SERVICEMEMBER" means a covered servicemember's biological, adopted, step, or foster parent or any other individual who stood in loco parentis to the covered servicemember. The term does not include parents "in-law."
- f. "SON OR DAUGHTER OF A COVERED SERVICEMEMBER" means the covered servicemember's biological, adopted, or foster child, stepchild, legal ward, or a child for whom the covered servicemember stood in loco parentis, and who is of any age.
- g. "NEXT OF KIN" means (a) the nearest blood relative of the covered servicemember (other than the covered servicemember's spouse, domestic partner, parent, son or daughter) or (b) the person who the covered servicemember has designated in writing as his or her nearest blood relative for purposes of Military Caregiver Leave.
- h. "SINGLE 12-MONTH LEAVE PERIOD" means the period beginning on the first day the employee takes leave to care for the covered servicemember and ends 12 months after that date. (This leave period differs from the calendar year definition of the leave year used for determining eligibility for other types of FML at the University.)

3. **Leave Entitlement**

- a. Leave is applied on a per-covered servicemember, per-injury basis. Eligible employees may take more than one period of 26 workweeks of leave if the leave is to care for a different covered servicemember or to care for the same servicemember with a subsequent serious injury or illness, except that no more than 26 workweeks of leave may be taken within any "single 12-month period."
- b. If an eligible employee does not use all of his or her 26 workweeks of leave entitlement to care for a covered servicemember during this single 12-month leave period, the remaining part of the 26 workweek entitlement to care for the covered servicemember for that serious injury or illness is forfeited.
- c. As with other types of FML, this leave may also be taken on an intermittent or reduced schedule basis. If the need for intermittent or reduced schedule leave is foreseeable based on the planned medical treatment of the covered servicemember, the employee may be required to transfer temporarily, during the period that the intermittent or reduced leave schedule is required, to an available alternative position for which the employee is qualified and which better accommodates recurring periods of leave than does the employee's regular position.

4. **Documentation and Certification** – See Section B.1.d.4. above.

5. **Use of Accrued Paid Leave** – See Section B.1.f.4. above.

6. **Advance Notice** – See Section B.1.c.1. above.

7. **Reinstatement** – See Section B.1.h. above.

8. **Continuation of Health Benefits** – See Section B.1.g.2. above.

F. QUALIFYING EXIGENCY LEAVE

Qualifying Exigency Leave is an additional type of FML available to eligible employees. If the employee is the spouse, domestic partner, son, daughter or parent of a military member, the employee may take Qualifying Exigency Leave to attend to any “qualifying exigency” while the military member is on “covered activity duty or call to covered active duty status” (or has been notified of an impending call or order to covered active duty).

1. Eligibility

An employee who is the spouse, domestic partner, son, daughter, or parent of a military member is eligible for Qualifying Exigency Leave if the employee meets the eligibility requirements for FML set forth in Section B.1.b.

2. Definitions Specific to Qualifying Exigency Leave

- a. “COVERED ACTIVE DUTY OR CALL TO COVERED ACTIVE DUTY STATUS” means (1) in the case of a member of the regular Armed Forces, duty during the deployment to a foreign country or (2) in the case of a member of the Armed Forces Reserve, duty during the deployment to a foreign country under a Federal call or order to active duty in support of a contingency operation as defined by the FMLA.
- b. “QUALIFYING EXIGENCY” is defined as any one of the following, provided that the activity relates to the military member’s covered active duty or call to covered active duty status:
 - 1) Short notice deployment to address issues that arise due to a military member being notified of an impending call to covered active duty seven (7) or fewer calendar days prior to the date of deployment.
 - 2) Military events and activities, including official ceremonies.
 - 3) Childcare and school activities for a child of a military member who is either under age 18 or incapable of self-care.
 - 4) Financial and legal arrangements to address the military member’s absence or to act as the military member’s representative for purposes of obtaining, arranging, or appealing military service benefits while the military member is on covered active duty or call to covered active duty status and for the ninety (90) days after the termination of the military member’s covered active duty status.

ARTICLE 26
PERFORMANCE EVALUATION

A. EVALUATION

1. Performance Evaluation is a constructive process to acknowledge the performance of an employee. An employee's evaluation shall be sufficiently specific to inform and guide the employee in the performance of her/his duties. Performance standards are guidelines for performing the duties of a specific job. Performance standards and guidelines for performing the duties of a specific job shall be reasonable. The evaluation of each employee shall be based on the individual employee's performance.
2. The purposes of the performance evaluation include, but are not limited to, the following:
 - a. to accurately assess the individual employee's performance during the period under review;
 - b. to identify and acknowledge positive elements of job performance;

4. Performance evaluation is not in and of itself a disciplinary procedure.
5. CX-Unit employees who receive an overall rating of "needs improvement" (or equivalent) shall have been informed of any such deficiencies, including information about how to correct such deficiencies, prior to receiving the annual written evaluation.
6. The performance of each non-probationary career employee shall be evaluated at least annually, in accordance with a process established by each location. In the event a non-probationary career employee does not receive a performance evaluation within 45 calendar days of the date the performance evaluation was due, the employee's overall evaluation shall be "meets expectations" (or equivalent). The location will inform each new, non-probationary, career employee or each employee transferred or rehired to a different department, when they should expect a performance evaluation. In the event a non-probationary career employee does not receive the written evaluation, the employee may take the following action:
 - a. Within 15 calendar days of the date the written evaluation was due but not received, the employee shall make a written request for the evaluation to the employee's immediate supervisor. When an employee makes such a request, an evaluation shall be completed within 30 calendar days of the request, unless the parties mutually agree otherwise.

B. EMPLOYEE RESPONSE TO AN EVALUATION

1. Acknowledgment or Affirmation of Evaluation

- a. An employee may acknowledge that s/he has received the performance evaluation by signing the evaluation and returning it to her/his supervisor. The employee's signature does not reflect either agreement or disagreement with the evaluation.

- b. Comments – Within thirty (30) calendar days after receiving a University performance evaluation, an employee may write comments pertaining to her/his evaluation or add relevant materials, which may supplement, or enhance the evaluation. When the University receives such written comments or materials from the employee, they shall be attached to the performance evaluation and placed in the employee's personnel file in which performance evaluations are maintained.

3. Placement of the Evaluation in the Employee's Personnel File

Employees are provided one (1) week to submit rebuttal information before the University forwards the evaluation to the employee's personnel file. The performance evaluation shall be placed in the employee's personnel file after receiving either the employee's signature, or the supervisor's statement, in accordance with Section B.1. above, or after completion of the rebuttal process in accordance with Section B.2.a. above.

C. GRIEVABILITY

1. A non-probationary career employee who receives a written performance evaluation with an overall rating of less than satisfactory, may file a grievance pursuant to the provisions of Article 7 – Grievance Procedure of this Agreement. Such grievance concerning the content of a performance evaluation rating the employee as less than satisfactory shall be eligible to be processed through Steps 1 and 2 of the Grievance Procedure, but shall not be eligible for review at Step 3 of the Grievance Procedure. The remedy for such a grievance shall be limited to revision of the section(s) being grieved and revision of the rating(s) in question.
2. Disputes arising regarding the performance evaluation of employees, including but not limited to the form, timing, procedure, impact and effects, shall not be subject to Article 7 - Grievance Procedure or Article 3 - Arbitration Procedure of this Agreement, with the exception of Section C.1, above.

Article 27

1. **Location of Personnel Files** – Personnel files (electronic or otherwise) may be located in an employee's employing department and/or the campus/medical center/Laboratory Human Resources Department.
2. **Access to Personnel Files** – Access to personnel files shall be limited to those who need to access information in the personnel file in the performance of their University duties or as provided by law, or University policy. 3. **Information in the Files**
 - a. An employee's personnel file(s) contain information pertaining, but not limited to: employment, such as the application for employment, tests and letters or statements of reference; pay and benefits; training; conduct; education, honors and awards; duties and job classification; performance; discipline, release, and dismissal actions; attendance; and other relevant or necessary information specified by the University.
 - b. Copies of letters of disciplinary action, along with copies of proofs of service that accompany the letters, upon being provided to an employee, shall be placed in the employee's personnel file(s). The employee's written comment, if any, regarding such letters shall be placed in her/his personnel file(s). Such comments shall not require the University to change or alter the letters or the actions indicated by the letters.
 - c. Copies of documents related to performance shall be provided to the employee when placed in the personnel file.
 - 1) The parties agree that transactional items need not be provided to employees in advance of being placed in the personnel file.
 - 2) Examples of transactional documents include but are not limited to payroll processing, employee-initiated personnel data changes, and leave records.
 - d. With the exception of performance evaluations, documents such as letters of disciplinary action or other documents concerning conduct or work performance, counseling memoranda and/or written records of discussions shall, upon the written request of the employee, be removed from the employee's personnel file(s) if there have been no other disciplinary actions of the same or similar kind or if there have been no other letters or memoranda relating to the same or similar issues for a period of two (2) years unless otherwise required by law, or University Policies named in Article 43. Materials which would be removed upon an employee's request, or retained pursuant to a legal requirement or University policy which are more than two (2) years old will not be used or relied upon to take or support disciplinary action. Where documents are removed pursuant to employee request, the employee shall receive the written request and the documents back. Where electronic records are used, the employee will receive confirmation of the deletion. Counseling memoranda and/or written records of discussion, in and of themselves, are not discipline nor are they grievable/arbitrable.

B. EMPLOYEE AND/OR REPRESENTATIVE REVIEW OF PERSONNEL FILE(S)

1. An employee shall upon advanced notice, have the opportunity to review her/his personnel

file(s), as described in Section A., above, within a reasonable time in the presence of a representative of the University.

2. An individual of the employee's choice may accompany the employee when the employee is reviewing her/his personnel file(s).
3. Alternatively, an individual employee may authorize a designated representative to review the employee's personnel file(s) on the employee's behalf. Such written authorization shall be valid for a period of thirty (30) calendar days from the date of the signature of the authorization or within a written time limit specified by the employee.
4. When the employee has chosen a member of the CX bargaining unit to assist in the review of the file(s), that person's release time shall be in accordance with the provisions of this Agreement.
5. An employee shall be granted a reasonable amount of time in without-loss-of-straight-time pay status to review her/his personnel file(s) within the operational needs of the department.

D. GRIEVANCE-RELATED FILES

Records involving the processing of an employee's grievance, such as the grievance form, step appeals/responses, and settlement documents, will be kept in a file separate from the employee's personnel file. ARTICLE 28
POSITIONS/APPOINTMENTS

A. CAREER APPOINTMENTS

1. Career appointments are established for a fixed or variable percentage of time at 50% or more of full-time and are expected to continue for one year or longer.
2. Beginning on January 1, 2001, a career appointment may also be established by conversion from a limited appointment pursuant to Section B.2. of this Article.

B. LIMITED APPOINTMENTS

1. A limited appointment is established at any percentage of time, fixed or variable, during which the appointee is expected to be on pay status for less than one thousand (1000) hours in a rolling 12-month period.
2. In the event that a limited appointment employee attains 1,000 hours of qualifying service within a rolling 12-month period, without a break in service of at least 120 consecutive calendar days, the incumbent's appointment shall convert to career.
 - a. Qualifying service includes all time on pay status in one or more limited appointments at the campus/hospital/Laboratory. Pay status shall not include on-call or overtime hours.
 - b. Such career conversion shall be effective on the first day of the month following attainment of 1000 hours of qualifying service.
 - c. Any break in service of 120 consecutive calendar days or longer shall result in a new 12-month period for purposes of calculating the 1000-hour requirement.
3. Employees in limited appointments may be released or have their time reduced at the sole discretion of the University and without recourse to the grievance and arbitration procedures of this Agreement. An employee in a limited appointment will be automatically released as of the last day of the appointment unless there is an earlier separation or formal extension of the appointment.
4. Employees in limited appointments are at will, except that the University will not terminate limited appointment employees for the sole purpose of denying them career status, except that an allegation that a limited appointment employee is terminated for the sole purpose of denying career status is grievable and arbitrable. Teamsters Local 2010 shall have the burden of proof when raising any allegation that a limited employee's termination is for the sole purpose of avoiding career status.
5. The automatic conversion to career status, as provided in Section B.2. above will not occur when one or more of the following occur:
 - a. A limited appointee is hired to replace an employee on leave that exceeds 1000 hours. If the employee on leave does not return from leave, the limited appointee shall be converted to career retroactive to the first of the month following attainment of 1000 hours; except that nothing in this subparagraph precludes the University from releasing the limited appointee prior to the anticipated return date of the employee on leave.
 - b. The position into which the employee is hired is not an "ongoing" position, in that the position is established and funded for 18 months or less at any percent of time. In the event the position is funded beyond 18 months, the limited appointee shall be converted to career retroactive to the first of the month following attainment of 1000 hours; except

that nothing in this subparagraph precludes the University from releasing the limited appointee prior to the effective date of the funding extension.

C. PARTIAL-YEAR APPOINTMENTS

Partial-year career appointments are established with regularly scheduled periods during which the incumbents remain employees but are not at work. These scheduled periods during which employees are not at work are designated as furloughs and are without pay. Such scheduled periods need not be consecutive in time. Furloughs are not to exceed a total of three months in each calendar year.

D. PER DIEM APPOINTMENTS

1. Per diem appointments are established at any percentage of time regardless of the duration of the appointment. These appointments are established to complement career and limited appointments when necessary to maintain appropriate staffing of the University teaching hospitals and other healthcare facilities.
2. Employees who are appointed to per diem titles are covered by per diem salary rates, the overtime provisions and the Work Rules Article of this Agreement.
3. Employees in per diem appointments may be disciplined, terminated, released or have their time reduced at the sole discretion of the University and without recourse to Article 7 - Grievance Procedure of this Agreement, except as provided in Section D.5. of this Article.
4. Use of Article 7 - Grievance Procedure of this Agreement by employees in the per diem appointments is limited to alleged violations of the Wages, Overtime and Work Rules provisions of this Agreement, except as set forth in Section D.5. of this Article.
5. **Special Per Diem Rights** – Effective January 1, 2001, Per Diem employees who work 1,000 hours exclusive of overtime and on-call hours, within the following 12-month period, and who provide the University with a commitment to work in the future at least fifty percent (50%) time, will be eligible for coverage Article 5 - Corrective Action, Discipline, and Dismissal, and the related portions of Article 3 - Arbitration Procedure, and Article 7 - Grievance Procedure.
 - a. Failure to comply with minimum scheduling requirements may result in release from employment at any time at the sole discretion of the University and without access to Article 7 - Grievance Procedure, and Article 3 - Arbitration Procedure.
 - b. In the event a per diem employee rescinds her/his fifty percent (50%) work commitment or fails to work fifty percent (50%) time or one thousand (1,000) hours as scheduled within a 12-month period, s/he waives her/his right to Articles 5 - Corrective Action, Discipline, and Dismissal; 7 - Grievance Procedure, and 3 - Arbitration Procedure.

E. TEMPORARY EMPLOYMENT POOLS & FLOATER APPOINTMENTS

1. **Definition** – Temporary employment pools or programs (TEP) are operated by Human Resource Departments to serve campus/hospital/Laboratory staffing needs.
 - a. The primary goal of the Temporary Employment Program (TEP) is to provide immediate administrative and technical support services to the University departments. Departments utilize TEP employees to complete special projects, to respond to workload fluctuations that are unusual or episodic in nature, to fill in for employees who are on leave, or to fill in during a recruitment period.
 - b. A second goal is to provide the campus/hospital/Laboratory with a viable source of

candidates for its career and limited appointments.

2. Individuals employed in temporary employment pools shall be appointed to a floater appointment.
 - a. A "Floater Appointment" is an appointment reserved for use in temporary employment pools, established at any percent of full time up to thirty-six (36) months in duration.
 - b. A Floater Appointee is not a Career, Casual-Restricted, Academic, Limited Appointment, or Per Diem employee.
 - c. A Floater Appointee is "at will" and may be released from a Temporary Employment Pool for any reason and without just cause. Receiving a Floater Appointment is not a guarantee of work. Floater Appointees may be scheduled or not scheduled, or released from any assignment at the University's non-grievable discretion.
 - d. Upon the commencement of a Floater Appointment, the Floater Appointee will receive a letter advising him/her that, although a Floater Appointment may be terminated at any time, floater appointments may not be extended beyond thirty-six (36) months. The letter will further inform the Floater Appointee that if he/she chooses not to be available for work for a period of 120 days or more, he/she can notify the University in advance, ending his/her appointment and taking a break in service. The letter also will inform the Floater Appointee that he/she must reapply in order to be readmitted to the TEP.
 - e. The parties agree that the utilization of Floater Appointees in accordance with Section E.1.a above is a permissible use of TEP employees. The parties further agree that it is a misuse of the TEP program to utilize a Floater Appointee in the same assignment in the same department doing the same work for more than 1,500 hours in twenty-four months. Further, the use of successive floaters in the same assignment in the same department doing the same work shall create an inference that the University's use of floaters is not consistent with Section E.1.a. The following exclusions apply:
 - 1) Exclusion One: Floater Appointees may serve for more than 1,500 hours in one floater assignment if the Floater Appointee is assigned to replace an employee on leave that exceeds 1,500 hours. If the employee on leave does not return from leave, the Floater Appointee shall be converted to career retroactive to the first of the month following attainment of 1,500 hours, except that nothing in this subparagraph precludes the University from releasing the Floater Appointee from the assignment prior to the anticipated return date of the employee on leave.
 - 2) Exclusion Two: Floater Appointees may serve for more than 1,500 hours in one floater assignment if the position into which the Floater Appointee is assigned is not an "ongoing" position, in that the position is established and funded for eighteen months or less at any percent of time. In the event the position is funded beyond eighteen months, the Floater Appointee shall be converted to career retroactive to the first of the month following attainment of 1,500 hours; except that nothing in this subparagraph precludes the University from releasing the Floater Appointee from the assignment prior to the effective date of the funding extension.
 - 3) A Floater Appointee does not work 1,500 hours or more in any one assignment within the meaning of this Article (even if the Floater Appointee accrues a total of 1,500 or more hours during his/her Floater Appointment), if the 1,500 hours is accrued as a result of working in several short-term assignments.

3. **Conversion to Career**

- a. If a Floater Appointee is allowed to serve in his/her Floater Appointment for a period of more than thirty-six (36) months without a break in University service of one hundred twenty (120) consecutive calendar days, the Floater Appointee shall be converted to a career appointment on the first day of the month following completion of the 36-month Floater Appointment.
- b. If a Floater Appointee has a break in University service for a period of 120 consecutive calendar days, that individual may be re-hired into a new Floater Appointment.
- c. If during his/her 36-month Floater Appointment, a Floater Appointee serves in one floater assignment in the same department doing the same work for more than 1,500 hours, s/he shall be converted to a career appointment on the first day of the month following completion of 1,500 hours in one assignment, unless one or both of the exclusions enumerated in Sections E.2.e.1) or E.2.e.2) of this Article are applicable.
- d. A floater appointee who automatically converts to a career appointment because s/he has worked at least 1500 hours in the same position in the same department shall receive 3 months credit applied against the probationary period of the new career appointment.
- e. Nothing in this Article shall otherwise prevent a Floater Appointee from attaining a career, limited appointment or other position through the recruitment process or other processes.

4. **Benefits** – Employees in floater appointments will receive Health and Welfare benefits in accordance with University Benefit Eligibility rules. DCP contributions shall be required.

5. **Contract Coverage** – Floater Appointees are assigned to title codes covered by this contract, they are covered by the following Articles of this Agreement: Access, Agreement, Duration of Agreement, Health and Safety, Holidays, Hours of Work, Management Rights, Military Leave, Nondiscrimination in Employment, No Strikes, Parking, Payroll Deduction, Personnel Files, Positions, Rehabilitation, Severability, Shift Differential, Sick Leave, Uniforms, Vacation, appropriate sections of Wages, Waiver, Work-Incurred Injury or Illness, and Work Rules. With regard to the above-referenced Articles (with the exception of the Positions Article), Floater Appointees may use the grievance and arbitration procedures of this Agreement only to the extent provided in the applicable portions of the Articles identified in this section. An allegation that a Floater Appointee has been utilized in a manner inconsistent with Section E.1.a, Section E.2.e and/or Section 3 of this Positions Article shall be grievable and arbitrable. Teamsters Local 2010 shall have the burden of proof to show floater use that is inconsistent with Section E.1.a., Section E.2.e, and/or Section 3.

6. The University shall notify Teamsters Local 2010 at least 45 calendar days prior to establishing a Temporary Employment Pool (TEP) operated by the Human Resources Department at a campus/laboratories/hospital that does not have an existing TEP as of January 1, 2001. Upon receipt of a timely written request from Teamsters Local 2010, the campus/Laboratory shall meet and discuss the establishment of the Temporary Employment Pool prior to implementation.

7. **Employment Information Lists:**

- a. The University shall continue to post on its FTP site, information for all Floater Appointees. The information shall include, but not be limited to, the type of information posted as of the date of the execution of this Agreement.

- b. In addition to the information posted on the FTP site, within 90 days following the effective date of this Agreement, locations with Floater Appointees shall provide Teamsters Local 2010 with the following information for all individuals in Floater Appointments: name, assignments held within preceding six (6) month period and number of hours worked in each assignment. Thereafter, the locations with Floater Appointees shall provide this information to Teamsters Local 2010 on a quarterly basis.

F. REHIRED RETIREES

Rehired Retirees working in positions covered by this unit will be eligible to elect to waive future retirement accruals to the same extent that other rehired retirees in staff positions are eligible.

G. LAWRENCE BERKELEY LABORATORY

The definitions of temporary and indeterminate positions which currently are in effect at the Laboratory shall remain in effect.

H. SERVICE CREDIT AND BENEFITS

Non-industrial disability and short-term disability insurance are not provided when employees are on furlough. Time on furlough is not qualifying time for vacation leave, sick leave, holiday pay, or service computation for seniority or retirement. For health benefits, see Article 42 - University Benefits, Section M.1.

I. REASSIGNMENT

The reassignment of an employee in a full-time career appointment to a partial-year appointment or to a part-time appointment at a fixed or variable percentage of time shall be considered a reduction in time and must be carried out in accordance with the provisions of Article 13 - Layoff and Reduction in Time.

- J. Neither this Article nor any other Articles or provisions of this Agreement shall be construed as a guarantee of or limitation on the number of hours per workday or workweek.

ARTICLE 29 PROBATIONARY PERIOD

A. CAREER APPOINTMENTS

Employees in career appointments shall serve a probationary period of six (6) calendar months, at 50% time or more, without a break in service. Time on leave, with or without pay, is not qualifying service for completion of the probationary period. Employees who are rehired following a break in service shall serve a new probationary period, whether or not they previously completed a probationary period. Prior to the completion of the probationary period, an employee may be released at the discretion of the University, and without recourse to the Grievance or Arbitration Procedure(s) of this Agreement.

B. LIMITED APPOINTMENT

A limited appointment employee appointed, transferred, or promoted, to a career appointment within the unit shall serve, at the discretion of the University, a probationary period commencing with the career appointment.

1. An employee in a limited appointment who has met the criteria in Article 28 - Positions/Appointments - Section B.2 for conversion to a career appointment and who has worked in the same appointment in which he/she is directly converted will have such time in that appointment applied against the probationary period for the new career appointment. For purposes of this provision, "same appointment" means an appointment in the same department/unit with same job description, with the same supervisor for at least 3 months as the appointment that the individual was assigned immediately prior to the conversion.
2. A non-career employee in a limited appointment who has at least six (6) months of continuous service at 50% time or more in a non-career appointment and who is appointed or is converted in accordance with Article 28 - Positions/Appointments, Section B.2. to a career position with substantially similar job duties shall have three (3) months service credit toward completion of his/her probationary period in the new career position.

C. Temporary Appointment

A temporary appointment employee appointed, transferred, or promoted, to a career appointment within the unit shall serve, at the discretion of the University, a probationary period commencing with the career appointment. Up to three (3) months of time served as a temporary employee (as defined in Article 28 E) in the same job immediately prior to hire, shall count toward completion of the probationary period. For the purposes of this provision, "same job" means a job in the same department/unit, with the same job description.

- D.** At the discretion of the University, an employee's probationary period may be extended. Such an extension shall be for a specific period of time not to exceed three months. At least seven (7) calendar days prior to the effective date of the extension, the employee shall be informed in writing of the reason(s) for and the period of the extension.
- E.** A probationary employee shall be evaluated in writing at least once during a full probationary period at approximately the mid-point.

Full fees will be assessed when an eligible employee's enrollment exceeds both nine units and three courses. An individual so registered is ineligible for the services and facilities provided through the University Registration Fee, which includes but is not limited to the counseling centers, gymnasias, or student health services, other than those to which the retired employee may be otherwise entitled.

B. EDUCATIONAL FEE WAIVER FOR STAFF AND DEPENDENTS

If the University determines to provide educational fee waivers to University staff and for dependents, it will apply to members of the clerical unit to the same extent as for any other staff employees.

ARTICLE 31

REASONABLE ACCOMMODATION

A. GENERAL PROVISIONS

In a manner that is consistent with applicable law, the University provides reasonable accommodation to qualified employees who are disabled or become disabled and need assistance to perform the essential functions of their jobs. This section shall not be construed as a guarantee of a specific form of accommodation nor shall accommodation in one case establish a precedent for similar or dissimilar circumstances, since all accommodations will be determined in accordance with the specific functional abilities of the employee in coordination with the requirements of the employee's job. The interactive process shall be used to determine what, if any, reasonable accommodation will be made.

B. THE INTERACTIVE PROCESS

1. When an employee requests reasonable accommodation for a disability or the University has reason to believe that a reasonable accommodation is needed, the parties will engage in the interactive process, which is an ongoing dialogue between the employee (and, if requested by the employee, their Union representative) and appropriate University representatives about possible options for reasonably accommodating the employee's disability. Options for reasonable accommodation may include, but are not limited to: assistive devices, modification of existing facilities, restructuring the job to eliminate non-essential job functions, telecommuting, and leaves of absence. Both the University and the employee are expected to participate in the interactive process in good faith, which includes engaging in timely communications regarding possible reasonable accommodation.

During the interactive process, the University considers information related to: the essential functions of the job, the employee's functional limitations; possible accommodations; the reasonableness of possible accommodations; and issues related to the implementation of a reasonable accommodation. This information will be used by the University to determine what, if any, reasonable accommodation will be made. While the University will consider the employee's suggestions regarding which accommodation(s) to implement, the University will determine which accommodation(s) will be implemented, so long as the accommodation implemented is reasonable.

The University will not implement an accommodation that would present an undue hardship.

2. The University will process requests for reasonable accommodation and provide accommodations where reasonable and appropriate and in as short a time frame as reasonably possible. The parties recognize, however, that the time necessary to process a request will depend on the nature of the accommodation requested and whether the employee has provided sufficient supporting information.

3. Should an employee wish to receive an update as to the status of his/her request, he/she may contact the assigned University representative. The University representative will respond to the employee's request for updated information in a timely manner.
4. If the University determines that the employee cannot be reasonably accommodated in his or her current position, a search for an alternative active and vacant position for which the employee is qualified with or without reasonable accommodation will be conducted without the requirement that the position be publicized.

C. MEDICAL DOCUMENTATION

The employee is responsible for providing the University disability manager or other appropriate University representative with medical documentation regarding the employee's disability and how it limits the employee's ability to perform the essential functions of the job. The University may require that a University-appointed licensed healthcare provider examine the employee and/or confirm the documentation provided by the employee. In such a case, the University shall pay the costs of the University-appointed health care provider.

D. TRIAL EMPLOYMENT

When recommended by a disability manager and approved by the appropriate University official, a qualified non-probationary career disabled employee may be offered temporary trial employment to evaluate the employee's interests and abilities. The length of this trial employment, which shall not exceed one year, shall be determined by the disability manager in consultation with the employing Department/Division Head. Positions used for trial employment shall not be designated as career, except that an employee shall maintain benefits to the extent permitted by benefit plan rules.

3. In the event an employee provides an oral notice of resignation, s/he may rescind such notice within two scheduled workdays following the oral notice. If such oral notice is not rescinded within the two (2) work-day limit, there shall be no withdrawal or rescission of her/his resignation except by the written mutual agreement of the University and the employee.
4. With the exception of retirement, the final paycheck (including earnings to date, overtime, compensatory time and vacation hours) shall be paid to the employee in a timely manner, not to exceed ten (10) calendar days.
5. Retirement compensation shall be provided pursuant to retirement plan regulations.

B. JOB ABANDONMENT

Failure to report to work as scheduled for five (5) consecutive workdays may be treated by the University as an employee's job abandonment resulting in her/his resignation:

1. In the case of job abandonment, the University shall provide the employee and the Union with written notification of its intent to separate her/him. This notification shall include the reasons for the separation, the employee's right to respond to the University within fourteen (14) calendar days, and a Proof of Service. The notification shall be sent to the employee's last known mailing address.
2. The employee shall have fourteen (14) calendar days from the mailing of such notice to respond to the University prior to her/his separation. The response may, at the option of the employee, be in writing or may be a meeting with a designated University official. The official must have the authority to effectively recommend reinstatement of the employee.
3. Following the employee's timely response, or if no response was provided within fourteen (14) calendar days, the decision of the designated University official is not subject to the grievance and/or arbitration provision of this Agreement.

7. The University may have an employee claiming disability examined by a physician or physicians of its choosing, in accordance with Article 14 – Leaves of Absence. The University shall pay the reasonable costs of any such medical examination and, when practical, shall send the employee to a physician of its choosing on the employee's work time.
8. When the University has determined that an employee's repeated use of sick leave is abusive, and has given the employee prior written notice that accrued sick leave use may be denied on future instances of illness, such employee may be denied the ability to use his or her accrued sick leave when absent due to illness.

A. GENERAL PROVISIONS

The University retains the right to subcontract all or any portion of operations subject to the limitations imposed by this article.

B. DISPLACEMENT OF EMPLOYEES

1. Except as provided below, the University of California will not contract out services that result in the layoff of non-probationary career bargaining unit employees.
2. Examples of instances in which a contract for such services may be appropriate include:
 - a. The need to obtain special services and equipment that are not available internally;
 - b. The need to obtain special expertise or efficiencies that are better provided through an outside contractor than by the University; and

5. A displaced non-probationary career employee who refuses an offered position at the same base rate of pay shall be placed in layoff status.

In those instances where such discretion is exercised the resultant individual rate of pay shall not exceed the maximum of the position salary range.

2. The designated University office will acknowledge to the employee receipt of a request for reclassification.
3. As soon as possible, but no later than 120 days from the date of receipt of the completed

request for reclassification review in the designated University office, the University shall issue the results of the review in writing to the employee and the department.

4. An employee may request a review of a decision denying a reclassification. The request for a review shall be made in writing to the personnel department within 30 calendar days of the date on which the reclassification decision was issued. The request shall state the basis upon which the employee is requesting a review. The result of the review shall be issued in writing by a representative of the classification unit (personnel department at the Laboratory) other than the representative who issued the initial decision.
5. An employee whose position has been reclassified upward shall be granted a salary increase to the minimum of the salary range for the new class or of one step in amount, whichever is greater. The University at its sole discretion may, upon the reclassification of an employee, determine that the employee should receive an increase of greater than one step in amount. The University may exercise this sole discretion on a location-by-location basis and on a reclassification-by-reclassification basis and on a non-precedential basis. In those instances where such discretion is exercised the resultant individual rate of pay shall not exceed the maximum of the position salary range.

D. Decisions or actions taken or not taken with regard to transfer, promotion and reclassification are at the University's sole, non-grievable discretion and not subject to Article 7 - Grievance Procedure of this Agreement.

3. Purchasing, Reimbursement, and Replacement Allowance

- a. Where uniform programs exist, the University shall have the sole discretion to maintain such programs.

**ARTICLE 42
UNIVERSITY BENEFITS**

A. HEALTH AND WELFARE BENEFITS

1. Eligible employees may participate in a number of benefit programs generally available to other eligible staff employees of the University.
2. The University health and welfare plans provide an annual open enrollment period during which eligible employees may elect to change specific plan or coverage options. Open enrollment provides an opportunity for employees to choose among plans due to changes in circumstances of the employees, changes in the coverage and costs of each plan, and changes in plan availability which may change from year to year.
3. The University may, at its option, alter its health and welfare programs, including the retiree health benefit program. Such alterations include, but are not limited to altering eligibility criteria, establishing new coverage, altering or deleting current coverage, adjusting pay bands, altering rates of contribution, changing the carrier for established plans or programs, or changing the administrator of such plans. In the event the University makes such alterations, the changes will apply to employees eligible for benefits within the unit in the same manner as they apply to other eligible staff employees at the University.
 - a. The sole exception to Section A.3. above shall be any alterations proposed by the University which affect only bargaining unit employees.
 - b. With regard to the changes in Section A.3.a., above, the University agrees to meet and confer with respect to the proposed changes in accordance with the provisions of Article 6, Duration, Section D, Reopener Negotiations.
 - 1) In each calendar year when gross rates increase, the University may increase the monthly employee contribution rates without meeting and conferring.
4. Beginning in calendar year 2018, increases in employee contribution rates for the Kaiser and Health Net Blue and Gold plans for employees in paybands 1 & 2 shall not exceed \$25 per month (up to aggregate increase of \$300/year) over the prior year for each year of the agreement.
5. Employee costs that exceed current University contributions, and employee costs for plans to which the University does not contribute, are to be paid by employees, normally through payroll deduction.

B. RETIREMENT BENEFITS

1. The University maintains several retirement and savings plans for eligible University employees. Currently, such plans include the UC Retirement Plan (UCRP), Tax-Deferred 403(b) Plan, Defined Contribution Plan (DC Plan), and 457(b) Deferred Compensation Plan, which collectively constitute the University of California Retirement System (UCRS). Eligible employees may participate in a number of retirement plans generally available to other eligible staff employees of the University.
2. The University may, at its option, alter the existing UCRS plans and establish new retirement and/or savings plans for the UCRS. Such alterations include, but are not limited to altering the eligibility criteria; altering or deleting current benefits; changing rate of employee contribution subject to b.2 (below); or changing the carrier or administrator for established plans or programs.

- a. In the event the University makes such alterations, the changes will apply to employees eligible for retirement benefits in the same manner as they apply to other eligible non-represented staff employees at the University.
- b. The sole exception to Section B.2, above, shall be:
 - 1) Any alterations proposed by the University which affect only bargaining unit employees.
 - 2) Any proposed increases to the rate of employee contribution will be subject to meeting and conferring with the Union. The Union, within 30 days of notice of any proposed increase to employee contribution rates, shall have the option of re-opening Article 45 – wages.
3. The 2016 Retirement Choice Program (Pension Choice and Savings Choice) will apply to all eligible employees in the CX Unit hired, rehired following a break in service, or who become UCRP eligible on or after the June 1, 2017, on the same terms as applied to non-represented staff employees.

C. EFFECT OF ABSENCES FROM WORK ON BENEFITS

1. Temporary Layoff/Temporary Reduction in Time/Furlough

Health plan contributions by the University will be provided for the Clerical & Allied Services unit employees, in accordance with Section A.2., above, when the employee is affected by: temporary layoff; temporary reduction in time below the hours required to be eligible for health benefits; or furlough. For health plans to remain in force, employees on temporary layoff or furlough must comply with the terms of the applicable plan documents, rules and/or regulations.

2. Military Leave

An employee on military leave with pay for emergency National Guard duty or Military Reserve Training Leave shall receive all benefits related to employment which are granted when an employee is on pay status.

3. Leaves of Absence Without Pay

- a. Approved leave without pay shall not be considered a break in service and, except as provided in Section C.3.c., below, shall not determine eligibility for benefits except that the regulations of the retirement systems determine the effects of such leave without pay on retirement benefits.
- b. Except as provided in Section C.3.c, below, an eligible employee on approved leave without pay may, in accordance with the plan documents, rules and regulations, elect to continue University-sponsored benefit plans for the period of the leave.

An employee on an approved Family and Medical Leave (FML) shall be entitled, if eligible, to continue participation in health plan coverage (medical, dental, and optical) as if on pay status as follows:

- 1) When the employee is on an FML leave that runs concurrently under the Family and Medical Leave Act (FMLA) and the California Family Rights Act (CFRA): Continued coverage for up to twelve (12) workweeks in a calendar year.
- 2) When the employee is on a Military Caregiver Leave under the FMLA: Continued coverage for up to twenty-six (26) workweeks in a single twelve month

period. For purposes of Military Caregiver Leave, the “single twelve month period” is the period beginning on the first day the employee takes the leave and ending twelve (12) months after that date.

- 3) When the employee is on Qualifying Exigency Leave under the FMLA: Continued coverage for up to twelve (12) workweeks in a calendar year.
- 4) When the employee is on a Pregnancy Disability Leave under the California Pregnancy Leave Law, regardless of whether any of the leave runs concurrently with the FMLA: Continued coverage for up to four (4) months in a twelve month period. If any of the Pregnancy Disability Leave runs concurrently under the FMLA, the continued coverage provided for that portion of the leave will count towards the employee’s FMLA entitlement for up to twelve (12) workweeks of such coverage in a calendar year.
- 5) When the employee is on an FML leave under the CFRA that does not run concurrently under the FMLA (e.g., Parental Leave after the employee’s FMLA entitlement is exhausted): Continued coverage for up to twelve (12) workweeks in a calendar year.
- 6) To continue health plan coverage during an approved FML leave, an employee must continue to make any contributions that he/she made before taking leave. For any paid portion of the leave, employee contributions will continue to be deducted from the employee’s pay check. Failure of the employee to pay his/her share of the health insurance premium may result in loss of coverage.

D. ENUMERATION OF UNIVERSITY BENEFITS

1. For informational purposes only, a brief outline of benefit programs in effect on the date the Agreement is signed is found online at UC benefits website, and/or Lawrence Berkeley National Lab’s benefits site (currently <https://commons.lbl.gov/display/hr/Benefits>). Teamsters Local 2010 understands and agrees that the descriptions contained online do not completely describe the coverage or eligibility requirements for each plan, the details of which have been independently communicated to Teamsters Local 2010.
2. Specific eligibility and benefits under each of the various plans are governed entirely by the terms of the applicable Plan Documents, custodial agreements, University of California Group Insurance Regulations, group insurance contracts, and state and federal laws. Employees in an ineligible classification are excluded from coverage, regardless of appointment percent and average regular paid time. For details on specific eligibility for each program, see the applicable documents, agreements, regulations, or contracts.

ARTICLE 43
UNIVERSITY POLICIES

- A.** University policies identified below are applicable to members of this unit. When the University proposes and implements changes to these policies, the employees of this unit will be covered on the same date and to the same extent.
1. Electronic Communications Policy. As revised August 18, 2005.
 2. Policy for Reporting Improper Governmental Activities and Protection Against Retaliation for Reporting Improper Activities. As issued January 1, 2012.
 3. PPSM Staff Personnel Records Policy 80# III.B.2 (re: access to records by the public.) As issued July 28, 2015.
- B.** Violence in the Work Place Policies at each location as of the date of the Tentative Agreement between the parties shall remain and continue. The University of California prohibits and has zero tolerance for violence at any UC workplace. ARTICLE 44 VACATION

- A.** The University provides vacation for rest, relaxation, and renewal to employees, who hold career, limited and floater appointments and who are appointed at 50 percent or more of full time for six or more months. Although vacation is provided for rest, a supervisor may grant an employee's request to use vacation for illness, disability, and or personal reasons. Disputes arising from this paragraph shall not be subject to Article 7 - Grievance Procedure or Article 3 - Arbitration Procedure.

B. VACATION ACCRUALS/CREDIT

1. An eligible employee shall earn vacation credit each month or quadri-weekly cycle based on the number of hours on pay status for that month or quadri-weekly cycle at the following rates:

Years of Qualifying Service	Per Hour on Pay Status*	Approximate Yearly Earning**	Maximum Accumulated Balance
Less than 10	.057692	15 days	240 hours
10 but less than 15	.069231	18 days	288 hours
15 but less than 20	.080769	21 days	336 hours
20 or more	.092308	24 days	384 hours

*Hours on pay status, including paid holidays, but excluding all paid overtime hours.

**Full time rate.

2. Earned vacation for each month or quadri-weekly cycle is credited on the first day of the following month or quadri-weekly cycle, except that proportionate vacation credit for an eligible employee who is separating from employment shall be credited at the completion of the last day on pay status.

C. ELIGIBILITY

1. An employee is eligible to earn vacation credit from the date of hire, prorated in accordance with Section A., above, if appointed at 50 percent or more of full-time for a period of six months or more. An employee who is not eligible to earn vacation because of a part-time or short term appointment becomes eligible to earn vacation after six continuous months or quadri-weekly cycles on pay status at 50 percent time or more. For the purposes of this Article, a month of qualifying service is a month of service at one-half time or more and a quadri-weekly cycle is defined as two bi-weekly pay periods designated by the University.
2. An employee does not earn vacation credit for time on pay status in excess of a full-time work schedule.

D. VACATION SCHEDULING

1. An employee may request vacation.
2. The University has the sole discretion to approve or disapprove vacation requests. Vacation requests shall not be unreasonably denied. An approved vacation request shall not be unreasonably canceled.
3. Vacation leave requested by an employee will be scheduled in accordance with the University's operational needs and departmental procedures. Departmental procedures which restrict an employee's ability to schedule vacation shall be based on operational needs. The University will endeavor to respond to an employee's additional vacation request(s) within 10 calendar days of his/her request for use of vacation.

4. When during the review of simultaneous requests for vacation submitted by more than one employee, operational needs do not permit the granting of requests for vacation at the same time for the employees who have requested that specific time period, preference in granting the request shall be based on the respective seniority of the employees. Where a practice of rotation of vacation periods exists, such practices shall continue, and only operational needs will be used in assigning such vacation.

E. VACATION CREDIT USE

Vacation credit is accumulated from the date of hire. An employee may use vacation from the date of accrual; however, no vacation shall be used prior to the time it has accrued.

F. VACATION MAXIMUMS

1. A full-time employee shall not accrue vacation in excess of the maximum of two times the employee's annual accumulation. A part-time employee shall accrue vacation to a pro-rated maximum number of hours as a full-time employee with comparable years of service.
2. Sixty days prior to an employee accruing the maximum amount of vacation, the employee shall be given notice that the maximum accrual will be reached. The employee must request the scheduling of vacation prior to the employee reaching the maximum accrual. If the employee's request to use such accrued vacation is denied due to operational considerations, that employee shall have an additional four months within which the employee must take the vacation to bring his or her vacation accruals below the maximum. Normal vacation shall continue to accrue during the additional four-month period.

G. VACATION PAY

1. Pay for accumulated vacation shall be at the employee's straight-time rate, including any shift differential paid to employees permanently assigned to a shift which provides a differential.
2. An employee who separates from employment or who is granted extended military leave shall be paid for any accumulated vacation through the employee's last day of work, except that an employee who is retiring may use accumulated vacation up to the effective date of retirement.
3. An employee released during his or her probationary period shall be paid for accrued vacation time.

H. TRANSFER OF VACATION CREDIT

An employee who is transferred, promoted, or demoted to another position at a University campus in which vacation credit can be accumulated shall have any accumulated vacation credit transferred, unless such transfer is in conflict with the terms covering the new position. An employee who is transferred, promoted, or demoted to a position at a campus in which vacation credit does not accumulate shall be paid for any accumulated vacation at the time of transfer. An employee who is transferred, promoted, or demoted to or from a Lawrence Berkeley National Laboratory position shall be paid for any accumulated vacation at the time of transfer.

I. DONATIONS FOR CATASTROPHIC LEAVE

Any CX-Unit employee may participate in a campus/hospital/ Laboratory's Catastrophic Illness/Injury Leave program, in accordance with the provisions of that location's program and Article 4 - Compassionate/Catastrophic Leave/14 - Leaves of Absence.

J. CURTAILMENT PERIOD

1. Consistent with the University's management rights, including its right to determine the orderly, effective and efficient operation of the University, the University may elect at one or more of its locations including the Laboratory, to curtail or shut down some or all of its activities, on a location-by-location basis, for periods of specific duration. By way of example and not limitation, such periods may represent opportunities for energy/cost savings and/or adjustments to reduce levels of work activity due to transition periods in the academic calendar and/or "seasonal" or "holiday" influences on scheduled work activities and/or the occurrence at or on University facilities of major public events and/or the occurrence of emergency or "forces of nature" situations adversely affecting normal University operations.
2. In the event of such total or partial closure or curtailment of operations, whether or not the University is able to anticipate such event, employees affected shall select one or a combination of the following options to cover their status during such period of time:
 - a. Employees may use accumulated vacation leave during the period. Newly employed unit members would be allowed to use accrued vacation even if the required six continuous months or quadri-weekly cycles on pay status have not been completed. Employees without sufficient accumulated vacation would be allowed to use up to three days' vacation leave prior to actual accrual.
 - b. Employees with accrued compensatory time may elect to use it to cover the scheduled time off or to offset the use of vacation time.
 - c. Employees who do not wish to use vacation or compensatory time off may elect to take a leave without pay during the closure. Notwithstanding the provisions of B. above, if an employee is in leave-without-pay status due to a location closure which is three consecutive days or less in duration, such a full-time or part-time employee shall not lose hourly vacation accruals.
 - d. Employees who do not select from a., b. or c. above or who do not qualify for a., b. or c. above shall, for the period of time necessary, be placed in a leave-without-pay status. The hourly accrual provisions in Section J.2.c. above related to location closure(s) shall also apply to employees who are placed in leave-without-pay status.

ARTICLE 45 WAGES

A. GENERAL PROVISIONS (except LBNL)

1. **Effective date of wage increases** – Wage increases shall be effective on the first day of the first full payroll period nearest the first day of the month in which the increase occurs. In the event the first day of the first full payroll periods are equidistant from the first day of a month, the earlier payroll period shall be used.
2. The parties recognize that the actual salary rates paid to employees may slightly vary from those reflected in The Corporate Title Code System Lookup (TCS) due to rounding. The applicable wage rates are reflected on the TCS at: <https://tcs.ucop.edu/tcs/jsp/homePage.htm>. In the event this web page expires and is replaced by a new title code system and corresponding web page, the University will provide 30 calendar days' notice to union advising where such title code and wage information can be found online. The University will provide a copy of the "payscale" file for wage increases.

4. **Range Adjustment**

 - b. Employees whose pay exceeded the pay range maximum before the rate increase was applied to the range are eligible for an increase only up to the new pay range maximum.
 - c. Employees whose pay equals or exceeds the pay range maximum after the range adjustment is applied are not eligible for a base-building wage increase.
 - d. No employee shall be paid less than the pay range minimum.
5. **Order Of Increases** – If more than one wage adjustment takes place on the same date, actions occur in the following order:

 - e. Increase to the minimum of the pay range

The University may also increase, for selected classes at selected locations, during the term of this Agreement, shift differentials, on-call rates, and/or extend the coverage of such rates. At least thirty (30) days prior to implementing the increase referenced in this section, the University shall inform Teamsters Local 2010 in writing of any such increases.

7. **Award Program (except LBNL)** – The University retains the right to continue, create, modify or abolish campus/hospital and system-wide award programs. Following the University's receipt of written notification from Teamsters Local 2010 of its ratification of the Agreement with the University of California, the University will implement compensation increases, within 60 days, in accordance with the provisions of this Article 45. The below increases will apply to all University locations, except for LBNL.
2. **Ratification** - The University will provide a 3% pay range increase, effective the first full pay period following receipt of Teamsters Local 2010 written notification of ratification.
3. **Lump Sum – Except at LBNL**, effective within 60 days following ratification, all non-probationary career employees will receive a one-time, non-base building wage payment of \$1200. This wage payment shall be retirement eligible. All appropriate taxes and UCRP contributions shall be deducted from the wage payment. Employees eligible for this payment shall be those employees who are on the payroll as of the date the University received notice of ratification and who remain on the payroll when the payment is issued. Lump sum shall be pro-rated based on employees' appointment percentage.
4. **Across the Board Increases:**

ARTICLE 46 WAIVER

The parties acknowledge that during the negotiations which resulted in this Agreement, each had the unlimited right and opportunity to make demands and proposals with respect to any subject or matter not removed by law from the area of collective bargaining, and the understandings and agreements arrived at by the parties after the exercise of the right and opportunity are set forth in this Agreement. The rights and procedures granted and set forth under Staff Personnel Policy will no longer apply to employees covered by this Agreement. The University and Teamsters Local 2010, for the life of this Agreement, each voluntarily and unqualifiedly waives the right, and each agrees that the other shall not be obligated to bargain collectively with respect to any subject or matter referred to, or covered in this Agreement, or with respect to any subject or matter not specifically referred to or covered by this Agreement, even though such subject or matter may not have been within the knowledge or contemplation of either or both of the parties at the time they negotiated or signed this Agreement.

ARTICLE 47
WORK-INCURRED INJURY OR ILLNESS

A. GENERAL PROVISIONS

This Article defines the application of sick leave and vacation for employees who are unable to work due to a work-incurred injury or illness compensable under the California Workers' Compensation Act, and provides extended sick leave benefits for such employees when sick leave is exhausted and employees are still unable to work because of such injury or illness.

1. An employee unable to perform the normal duties of his or her job due to a work-incurred illness or injury compensable under the California Workers' Compensation Act shall be granted leave for the duration of a verified disability but not to exceed six months or a predetermined date of separation, whichever comes earlier. The employee may request, in writing, an extension of the leave up to six months according to Article 14 - Leaves of Absence, Section D.
2. Work-Incurred Injury or Illness Leave runs concurrently with Family Medical Leave.
3. An approved leave of absence for work-incurred illnesses or injuries shall not be considered a break in service.
4. Employees who are unable to work due to a work-incurred injury or illness compensable under the California Workers' Compensation Act are eligible to use accrued sick leave and vacation as provided below. When sick leave is exhausted and when employees are still unable to work because of such illness or injury, employees may use extended sick leave or leave without pay as provided below.
5. An employee shall notify his or her supervisor of the need for leave for a work-incurred injury or illness, or any extension of such leave, as soon as practicable after the need for such leave or extension is known. This notification shall include written medical certification of the need for such leave or extension, and the anticipated return to work date.

B. EXTENSIONS OF WORK-INCURRED INJURY OR ILLNESS LEAVE

In the event an employee requires an extension to his or her work-incurred injury or illness leave, the employee shall provide the University with a statement from his or her licensed health care practitioner of the need for the extension and the anticipated return to work date.

1. Such a statement must be provided 10 calendar days prior to the date the employee was previously scheduled to return to work.
2. In the event prior notice is not provided, the University will not pay extended sick leave to the employee for the period between the previously scheduled return date and the date the statement is received.

C. RETURN FROM WORK-INCURRED INJURY OR ILLNESS LEAVE

1. Prior to returning to work, an employee granted a work-incurred injury or illness leave must provide the University with a statement from his or her licensed health care practitioner of the employee's ability to return to work. When possible, an employee granted a work-incurred injury or illness leave must provide the University with 10 calendar days notice of his or her ability to return to work. If a return to work specifies restrictions, the University will consider what accommodation, if any, will reasonably be made.
2. If the position held has been abolished during the leave, the employee shall be afforded the

same considerations which would have been afforded had that employee been on pay status when the position was abolished.

D. SUPPLEMENTAL SICK LEAVE AND VACATION

1. An employee who accrues sick leave and vacation shall be permitted to use accrued sick leave and vacation to supplement temporary disability payments received under the California Workers' Compensation Act.
2. Sick leave and vacation payments shall be the difference between the amount payable to the employee under the Workers' Compensation Act and the employee's regular salary. The additional payment made to an employee to provide the employee with full salary prior to receipt of disability payments shall be deemed an advance temporary disability payment within the Workers' Compensation Act.
3. An employee who receives advance temporary disability payment shall reimburse the University for such payment. The reimbursement is used to restore proportionate sick leave and vacation credit as appropriate.

E. EXTENDED SICK LEAVE

1. An employee who is receiving temporary disability payments and who has exhausted all accrued sick leave shall receive extended sick leave payments from the University in an amount equal to the difference between the payments from Workers' Compensation and 80% of the basic salary plus any shift differential which the employee would have received. If such an employee returns to part-time University duties, the earnings plus any temporary disability payments, if less than 80% of basic salary plus shift differential, shall be supplemented to 80% by extended sick leave payments, provided the employee continues to be medically authorized for Worker's Compensation temporary disability. Total extended sick leave payments shall not exceed 26 weeks for any one injury or illness.
2. An eligible employee who does not have sufficient accrued sick leave to cover the three calendar days' waiting period for receiving Workers' Compensation payments shall receive extended sick leave payments to cover any part of the waiting period not covered by sick leave. Payment shall be made only after determination that the injury or illness is compensable under Workers' Compensation.
3. An employee who elects not to use all sick leave is not eligible for extended sick leave benefits.

F. EFFECT ON PAY STATUS

1. Supplemental Leave

An employee who is receiving temporary disability payments and supplemental sick leave or vacation as described in Section D. above is considered on regular pay status for purposes of application of provisions of this Agreement, except completion of the probationary period. Sick leave and vacation accrued during this period may be used as soon as they accrue.

2. Extended Sick Leave

- a. An employee who is receiving temporary disability payments and extended sick leave benefits as described in Section E. above is considered to be on regular pay status for purposes of application of provisions of this Agreement, except completion of the probationary period.

- b. Sick leave and vacation accrued during this period is credited to the employee only upon return to work. However, if an employee separates without returning to work, the employee shall be paid for vacation accrued during the period the employee received extended sick leave payment.

3. Leave Without Pay

An employee on leave without pay and receiving temporary disability payments accrues sick leave and vacation on the same basis as if regularly employed, but such accrual is credited to the employee only upon return to work. If an employee separates without returning to work, no payment shall be made for such vacation credit.

G. SEPARATION

An employee shall not use vacation, sick leave, or extended sick leave to supplement Workers' Compensation payments beyond a predetermined date of separation or leave without pay. Any vacation credit remaining on the date of separation shall be paid on a lump-sum basis.

H. LIGHT DUTY

Subject to operational considerations and budgetary constraints, the University may, on a case-by-case basis, place an employee in a temporary assignment consistent with documented medical restrictions when the employee has experienced work related injuries. This section shall not be construed as a guarantee of a specific form of accommodation nor shall accommodation in one case establish a precedent for similar or dissimilar circumstances.

ARTICLE 48 WORK RULES

A. GENERAL PROVISIONS

For the purpose of general definition under this article, work rules shall be understood to mean rules governing work determined by the University to be required for the purpose of ensuring the orderly and efficient operation of the University and for ensuring the health and safety of employees and others. Work rules promulgated by the University shall be consistent with the provisions of the Agreement. Work rules may be implemented only for reasons of bona fide business and/or health and safety necessity.

B. BACKGROUND CHECKS

Background checks shall be subject to the provisions of this Article. In addition:

1. No incumbent employee shall be required to disclose nor shall any University Background check investigate an arrest, detention or report of abuse that did not result in a conviction as part of a background check unless such information is permitted or required by law.
2. Appointment to a critical position is contingent upon the University's determination that a background check is complete and sufficient.
3. With the exception of employees who have contact with children under 18 or dependent adults or have direct responsibility for care, safety or security of patients in medical facilities, no background check shall be conducted on information pre-dating the report by more than seven years.
4. An incumbent in a position shall not be subject to a background check unless:
 - a. The University changes the duties of the position such that the position is designated critical or
 - b. Applicable laws or regulations require a background check (including, but not limited to Joint Commission Standards, California Department of Public Health regulations, Cal-OSHA).
5. Background checks are limited to:
 - a. Criminal conviction records, if any,
 - b. Credit checks for positions that require POST certification, bonding or equivalent for self-insurance purposes, or where required by law or external regulations. Absence of a credit history shall not be taken into consideration as evidence of an unsatisfactory credit check.
 - c. Motor vehicle checks for positions that require, in the employee's job description, operation of a vehicle(s), and
 - d. Verification of license, certificate or degree required for position.

C. CONFIDENTIALITY AND ACCESS TO BACKGROUND CHECK INFORMATION

1. Information obtained as a result of any background check shall be kept in a separate file from the employee's personnel file. Such files, both paper and electronic, shall be maintained in a

confidential manner by the Campus Police Department and/or the Human Resources Department. Once the position has been filled the University agrees to destroy all such background records within one year except the record relied upon to deny appointment to the position; the record relied upon to deny appointment is to be kept for two years or until the conclusion of any related grievance/litigation.

2. With regard to promotions and transfers, if any employee is selected as a final candidate for a critical position, and the University determines that the background check information prevents the employee's selection, the employee may request and receive a copy of his/her background check results and a copy of this section of the contract. The campus/hospital/Laboratory shall provide the employee prior to making the final decision, a free copy of the report relied upon for the initial non-selection and a written description of the employee rights to challenge the veracity of the report. The employee shall have 10 days to respond in writing before the final University decision is made and the employee's response is to be attached to the confidential file.

D. POSTING OF OPEN CRITICAL POSITIONS FOR PROMOTION AND/OR TRANSFER

1. Posting of an open critical position shall identify that a background check is required to successfully complete the application process.
2. A separate disclosure form with a summary of the employee rights shall be issued to the employee at the time he or she is asked to sign the disclosure form. The form shall contain the purpose for requesting the information, the consequences, if any, of not providing the information, and the employee's right of access to the records.

E. RECLASSIFICATION OF EMPLOYEES TO CRITICAL POSITIONS

If a campus/hospital/Laboratory determines any incumbent employee position(s) is to be designated as critical, or that an incumbent employee is proposed to be reclassified to a critical bargaining unit position, the employee(s) and Teamsters Local 2010 shall be notified. Such determination shall be considered a change in work rules.

- F. The University will provide Teamsters Local 2010 a list by campus of employees by titles in critical positions in the unit no later than February 28, 2001.

G. NOTICE

At least forty-five (45) calendar days prior to the implementation of new or changed work rules, the University shall inform Teamsters Local 2010. Upon receipt of a written request from Teamsters Local 2010 received within thirty (30) calendar days of notice, the campus/hospital/Laboratory shall meet and discuss the proposed work rules with Teamsters Local 2010 prior to the proposed implementation date. The University shall provide responses to alternatives suggested by Teamsters Local 2010. Such responses shall be in writing if requested by Teamsters Local 2010.

H. APPLICATION AND GRIEVABILITY

1. The University will reasonably enforce its work rules as to employees who are on pay status.
2. In the event the University's enforcement/application of its work rules is inconsistent with any portion of this Article, a grievance may be filed in accordance with the provisions of Article 7 - Grievance Procedure, and appealed to Arbitration in accordance with the provisions of Article 3 - Arbitration Procedure of this Agreement.
3. In the event the application of a work rule is appealed to arbitration, the Arbitrator shall have no authority to newly fashion or to modify the work rule. Nothing shall limit the arbitrator's authority

to consider or comment on any issue relevant to the case when rendering decision and related remedy.

Expedited Arbitration Procedure

The parties agree that the process below sets forth the expedited arbitration procedure, implementing the Side Letter dated November 4, 2011. The parties agree this procedure applies when the University proposes a position should be reclassified with the result that the position be removed from the unit or otherwise designates a position for exclusion from the unit (collectively "proposed reclassification/exclusion"), noticed prior to the end date of this pilot program on March 31, 2013.

1. Within fourteen (14) days of the execution of this document, each campus/location shall provide the CUE Teamsters a list of all proposed reclassification/exclusion(s) noticed prior to the execution of this document, including all proposed reclassifications noticed between June 1, 2008 and November 4, 2011, except any proposed reclassification/exclusion request(s) in which the parties have already reached agreement. Any proposed reclassification/exclusion noticed prior to the execution of this document that is not included on this list will be deemed withdrawn and must be re-noticed pursuant to this document. Each campus/location must electronically transmit this list to the CUE Teamsters statewide office at XXX@XXXX.
2. For all proposed reclassification/exclusion(s) noticed to CUE Teamsters prior to the execution of this document, the parties shall schedule a meeting to discuss the proposed reclassification/exclusion(s) at the campus/location, if they have not already done so.
 - a. If the parties do not reach agreement at that meeting, or have already met and have not reached agreement, the proposed reclassification/exclusion(s) must be scheduled for an expedited arbitration hearing within thirty (30) calendar days of the execution of this document, unless the parties mutually agree, in writing, to an extension. Requests for extensions will not be unreasonably denied.
 - b. During this time frame CUE Teamsters will be provided, upon written request, the information described in 3 (a-d).
 - c. If a reclassification/exclusion matter subject to this paragraph is not scheduled for an arbitration hearing within thirty (30) calendar days or at the expiration of a mutually agreed upon extension, the campus/location may implement the proposed reclassification/exclusion.
3. If the University notices CUE Teamsters of a proposed reclassification/exclusion on or after the date of the execution of this document, the University shall notify the union in

writing ("notice"). The notice shall be sent electronically to the CUE Teamsters Statewide office at: XXX@XXXX. The notice shall include:

- a. The rationale and supporting documentation, which may include minimum requirements/required skills and abilities related to the proposed job, upon which the decision is based for the request to reclassify/exclude the position pursuant to the criteria set forth in the Side Letter, including, but not limited to the compensation and/or classification standards used to recommend the reclassification/exclusion;
 - b. The CX job duties/descriptions and proposed job duties/descriptions;
 - c. An organization chart of the relevant organizational unit/department or, if none exists, a description/graphic representation of the organizational unit/department's relevant reporting relationships; and
 - d. The disposition of the previously assigned duties, if applicable (e.g., who will perform the CX duties and/or which CX duties will no longer be performed).
4. If CUE Teamsters wish to meet regarding a proposed reclassification/exclusion noticed pursuant to paragraph 3, CUE Teamsters must notify the University, in writing, within fifteen (15) calendar days of the University's notice.
- a. In the same notice, CUE Teamsters may also request specifically identified, additional information relevant to the criteria contained in the Side Letter. No later than five (5) calendar days prior to the meeting described in paragraph 5, below, the campus/location shall provide a response to CUE Teamsters request for information relevant to the criteria contained in the Side Letter.
 - b. If the University does not receive notice of CUE Teamsters' desire to meet within fifteen (15) calendar days, CUE Teamsters agrees the campus/location may implement the proposed reclassification, but in no event less than thirty (30) calendar days of the date of the initial notice.
5. Upon receipt of CUE Teamsters' written request to meet, the parties will schedule a meeting to discuss the proposed reclassification/exclusion(s).
- a. It is the intent of both parties to fully disclose/make available all relevant information applicable to the reclassification proposal at the meeting.
