

# Novel Coronavirus (COVID-19) Situation Report

**Report Date and Time:** **Friday, 3/20/2020, 1200**

**Report #: 16** (New information is in blue)

## I. Overview

- This report is a summary of notes from a UC situational awareness call that took place on **3/20/20 at 0900**, campus emergency management Situation Reports, and information from other systemwide coordination. All information is accurate as of the date/time of the report.
- For brevity, some updates/actions listed in previous reports have been deleted.

## II. Federal/State Guidance and Actions

### Travel Related

- The U.S. State Department issued a [global Level 4 Health Advisory – Do Not Travel](#) for all international travel, encouraging U.S. citizens to avoid all international travel due to the global impact of COVID-19. It also instructs all Americans abroad to either return to the U.S. immediately or prepare to remain abroad for an indefinite period.

### Higher Education Specific

- See Resources section for IHE guidance links.

### Clinical/Equipment Guidance

- CDPH issued [new guidelines](#) for transferring deceased persons suspected of or confirmed to have COVID-19.

### Other Actions

- Governor Newsom in conjunction with the CA State Public Health Officer and Director of the CDPH [issued a Stay At Home order](#) telling all individuals living in California to stay home, except as needed to maintain continuity of operation of the federal critical infrastructure sectors, critical government services, schools, childcare, and construction, including housing construction.
- The White House issued guidance urging people to stay home and avoid groups larger than 10 for the next 15 days, avoid eating at restaurants, not visit nursing homes or long-term care facilities, and more.
- COVID-19 diagnostic testing is now available at 21 California public health labs. Commercial labs are also offering diagnostic testing.

## III. UCOP Updates

- UCOP and campus leaders are coordinating with State of CA representatives concerning the potential use of UC dormitories for the statewide COVID-19 response.
- President Napolitano issued an executive order granting up to 16 days of paid administrative leave for employees unable to work for COVID-19 related reasons (3/16).

# Novel Coronavirus (COVID-19) Situation Report

- UCOP has activated a UC Health Coordination Center (UC-HCC) subcommittee of the UCOP MRT to better coordinate across the five health locations.
- UCOP has transitioned to telework in alignment with business functions and operational needs. [UCPath \(Riverside\) now operating remotely.](#)
- All locations should plan for the continuity of governance and implement adequate social distancing and remote meetings as appropriate.
- UCOP has issued [guidance](#) regarding paid leave and remote work provisions.
- [Guidance for UC Locations for COVID-19](#) was last updated 3/8/20.
- UCOP Management Response Team (MRT) changed its meeting cadence to Mon/Thurs. The Response Support Team (RST) is meeting as needed.
- The next joint MRT-Vice Chancellors of Administration (VCA) meeting is scheduled for [Wednesday 3/25/20.](#)
- All executive policy decisions that require input from UCOP should follow the established local crisis management processes for campuses and medical centers respectively.
