## Transportation Services: Coronavirus (COVID-19) Department Update

*Last Updated 03/17/20, 3:50 p.m.*

Transportation Services is monitoring the development of the coronavirus (COVID-19), UC Davis' notifications regarding the pandemic, and responding in kind with adjustments to our services and policies to help protect and ease the impact on the Aggie community. See the latest updates below.

---

### PARKING

- **Parking Enforcement:** Restricted spaces, disabled spaces and no parking zones will be enforced. Regular permit requirements will not be enforced on campus until further notice.
- **Permit Dispensers:** Daily parking permit dispensers are turned off and will *not* be operational until further notice. Parking permits are not required in non-restricted parking areas.
- **Parking Permits:** Parking permits are not required to park in regular permit spaces on campus, until further notice. See *Parking Enforcement* above.
  - **Refunds:** Refunds on longer term permits that expire later than April 1, 2020 will be calculated by charging the full monthly rate for any portion of each month the permit is held when enforcement is in effect. Associated processing fees will be waived at this time.
    - **Permits Paid via Payroll Deduction:** No action is required for those whose permits are paid via payroll deduction (paycheck). Although deductions will continue as usual, Transportation Services will automatically process a credit to your paycheck (as noted above) once parking enforcement is reinstated. If you need to cancel your permit for a longer term, please see below.
    - **Permits Purchased Online or In-person:** If you wish to return your parking permit, you may use the drop box at Transportation Services or mail it with a note to *Transportation Services, 200 N. Dairy Road, Davis, CA 95616*. Include a note indicating your mailing address. Refunds will be calculated based on the postmark date and will be processed via check or credit card, depending on how you paid for your permit (online or at Transportation Services).
    - **Daily Permits:** No refunds will be processed for daily permit purchases.
    - **Parking Citations:** Citation payments and appeal due dates will remain in effect according to established schedules. Payments and appeals may be submitted online or by mail (postmarks will be honored) if preferred. For
