INTRO Thursday, May 6

Introduction to Union Stewardship

In this workshop, you will learn the fundamentals of Union stewardship. From duty of fair representation to your rights as a Union Representative, we will give you the foundation to begin leading your worksite and protecting the rights of your colleagues. Certificate will be awarded upon completion.

ADVANCED Friday, May 7

Advanced Representation & Organizing

In this workshop, you will explore the more intricate part of being a Union Steward. You will learn the tools needed to advocate for your colleagues such as contract language and grievances. Using real case-studies, you will learn the ins-and-outs of Union organizing and representation. Certificate will be awarded upon completion.

Union Representatives will assist you in obtaining the days off of work to participate. After you register, you will receive an email from Zoom with your meeting link.
