Dear Secretary-Treasurer Rabinowitz,

The California Labor Federation, representing over 1,200 affiliate unions and over 2.2 million workers, has officially granted statewide strike sanction to Teamsters Local 2010.

Teamsters 2010 has called a one-day strike on November 14th at California State University locations around the state in protest of the University's numerous unfair labor practices (ULPs) and violations of state law. CSU workers are underpaid and remain the only state workers without a salary step system. New hire wages nearly match those of senior staff, and many long-term CSU workers are forced far from campus to afford housing. The University has bargained in bad faith and committed numerous violations of labor law in its treatment of Teamsters workers.

The hardworking members of Local 2010 keep our state universities running and they deserve fair wages and a good contract. The Labor Federation and all our unions will stand with you in this one-day strike, and as long as it takes to get the protections your members deserve.

We ask all affiliates to honor Teamsters 2010 picket lines on November 14th at all CSU locations.

In Solidarity,

Lorena Gonzalez Fletcher
Executive Secretary-Treasurer
