RE: Letter of Solidarity with Teamsters Local 2010

Dear Chancellor Garcia:

I write in strong support for the California State University skilled trade workers, represented by Teamsters Local 2010, who are currently in preparation to go on strike in protest of unfair labor practice, revolving refusals to pay contractual raise and salary steps increases.

In 2025, the State of California committed to fully fund the CSU and provided a zero-interest loan meant to pay these contractual increases. Teamsters Local 2010 members are understandably frustrated with a lack of progress, unfair treatment, and an unmet contract. Fair treatment and compensation include promised raises and salary steps along with fair working conditions and appropriate staffing levels necessary to ensure the dignity of these workers and the sustainability of this organization. The demands to pay Teamster members their contractual July 2025 raises and salary steps are not just reasonable; they are necessary.

I urge you to return to the bargaining table and resolve this matter in a way that respects the essential work done by these employees. I stand in solidarity with them until a fair agreement is reached.

If you have any questions, please contact my District Director, Sebastian Lozano, at (213) 620-4646 or via email at Sebastian.Lozano@asm.ca.gov.

Sincerely,

A handwritten signature in black ink that reads 'Mark González'. The signature is fluid and cursive, with the first name 'Mark' and last name 'González' clearly legible.
