RE: Solidarity With Teamsters Local 2010 Workers at CSU

Dear CSU Chancellor Garcia,

As a steadfast champion for higher education, I write to express my support for Teamsters Local 2010 and echo their concerns over California State University (CSU) fair labor practices. For our students, I hope that both parties can come together to reach a fair resolution that upholds prior commitments.

Our skilled trades are vital to ensure the successful operations of our schools and wellbeing of our students. In 2025, despite financial challenges, the state of California committed to fully fund CSU and provided a zero-interest loan meant to pay these contractual increases. To safeguard the dignity of workers and the sustainability of this organization, I stand in solidarity with Teamsters Local 2010 and their pursuit of fair labor practices including contractual raises and salary step increases.

I urge all parties to return to the bargaining table and resolve this matter in a way that respects the essential work done by these employees and prior agreements. Thank you for your time and attention to this critical labor rights issue. Please contact my office at (916)319-2062 for any questions related to this letter.

Sincerely,
