RE: Support of Teamsters Local 2010 Workers at California State University (CSU)

Dear Chancellor García:

I am writing to express my full support for the skilled trades workers at CSU, represented by Teamsters Local 2010, who are currently prepared to go on strike in response to ongoing labor concerns. These concerns include CSU's commitment to contractual raises and salary step increases.

In 2025, despite financial challenges, the state of California committed to fully fund CSU and provided a zero-interest loan to support these contractual increases. Members of Teamsters Local 2010 have grown increasingly concerned by decision-making practices and are advocating for their previously agreed upon contracts. In addition to fair wages, Teamsters members highlight concerns of safe working conditions and staffing levels at CSU Campuses.

I respectfully request that CSU leadership return to the bargaining table and act to resolve this matter in a way that respects the important work done by Teamsters members. Preventing the strike will enable CSU to continue to focus on its core mission of providing a quality education at world class universities. Thank you for your careful consideration of this matter.

Sincerely,

A handwritten signature in blue ink that reads "Scott Wiener".
